ASSIGNMENT

WHEREAS, Joseph Ermalovich, a resident of Santa Barbara, California, United States of America, herein after referred to as the "Assignors" has invented certain new and useful improvements as described and set forth in an application for Letters Patent of the United States entitled **ADJUSTABLE BED MATTRESS RETAINER SYSTEM** with a Declaration attached thereto that was executed by the Assignors on even date herewith and US Provisional patent application serial no. 61/756,297 filed on 01/24/2013 having the same title;

WHEREAS, Ergomotion, Inc. a corporation of the State of California, having a place of business at 19 East Ortega, Santa Barbara, CA 93101, hereinafter referred to as "Assignee", desires to acquire the Assignors entire interest in and to said application, said inventions, said improvements, and any and all Letters Patent which may be granted thereon in the United States or any foreign country;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged by Assignors,

1. Assignor hereby sells, assigns, transfers and conveys to Assignee their entire interest in and to said provisional application, said application, said invention and said improvements and all worldwide rights that may be derived therefrom, and in and to any and all Letters Patent on said invention and improvements that may be granted by the United States or any foreign country, including any divisions, substitutions, continuations in whole or in part, conversions, reissues, additions or extensions thereof, said interest to be held and enjoyed by Assignee as fully and exclusively as it would have been held and enjoyed by said Assignor had this Assignment and transfer not been made.

2. Assignor hereby covenants, warrants and represents that he has not heretofore granted any license, right or privilege with respect to said applications, invention or improvements or in any other way encumbered the same, and that he has the full right to make this Assignment.

3. Assignor further agrees that at the request and expense of Assignee, but without charge to said Assignee, he will promptly execute all papers necessary or desirable to perfect ownership of said invention, improvements, applications or said Letters Patent, in said Assignee, and will execute all oaths and other papers, within the truth, that are necessary or desirable for prosecuting said application, for use in interference proceedings involving said invention or improvements, for refilling said applications, for filing of said divisional, substitution, continuation or continuation-in-part applications covering said invention or improvements which are deemed necessary or desirable by Assignee, for reissuance or reexamination of said Letters Patent, or for the filing in foreign countries of applications for Letters Patent covering said invention or improvements.

4. The terms, covenants and provisions of this Assignment shall inure to the benefit of Assignee, its successors, assigns and other legal representatives, and shall be binding upon Assignors, their heirs, legal representatives and assigns.

IN TESTIMONY WHEREOF, I have executed and delivered to Assignee this instrument on the date shown.

Joseph Ermalevich
