**ASSIGNMENT**

Whereas, I, **James L. Jacobs II**, residing in Amherst, New Hampshire, have invented one or more new and useful inventions and have filed therefor United States Nonprovisional Patent Application Serial No. 14/282,773, filed on 5/20/14, entitled "Methods And Software For Enabling Custom Pricing In An Electronic Commerce System," (hereinafter, "Application(s)");

And whereas, En Passant, LLC, a Nevada limited liability company, having a place of business at 176 Newport Road, P.O. Box 2157, New London, NH 03257-2157, (hereinafter called Assignee), desires to acquire the entire right, title and interest in the Application(s) and all inventions disclosed therein, and to any United States and foreign patents to be obtained therefor, and to any United States, international, and foreign patent applications to be filed thereon;

Now therefore, for good and valuable consideration, receipt whereof is hereby acknowledged, I, the above-named inventor hereby sell, assign, and transfer to Assignee, its successors and assigns, and confirm any previous assignments made by me for, the entire right, title and interest in the Application(s) and inventions therein disclosed for the United States and foreign countries, and all rights of priority resulting from the filing of the Application(s), and I hereby agree that Assignee may file one or more international applications and apply for foreign Letters Patent on said inventions; and I request the Commissioner for Patents of the United States Patent and Trademark Office and the authorized official in each respective foreign patent office to issue any Letters Patent granted upon the inventions set forth in the Application(s) to Assignee; and I will execute all papers necessary in connection with the United States, international, and foreign applications when called upon to do so by Assignee.

I, the above-named, hereby covenant that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Assignment.

I hereby authorize Downs Rachlin Martin PLLC to insert into this Assignment in the blank spaces appearing above, respectively, the application serial number and filing date of the patent application identified by Attorney Docket No. "15388-030USU1," which appears on at least one page of the application.

Executed at Nashua (city/town), NH (state), this 20 day of

May, 2014.
