JOINT ASSIGNMENT

WHEREAS, Egbert FRENKEN, residing at Erpener Weg 9, 52525 Heinsberg, Germany and Gerald Tully, residing at Wuppertal, Germany (hereinafter "Assignors") have invented certain new and useful inventions and improvements (hereinafter "Invention") described in the United States patent application entitled "STUD PUNCH WITH PULL PISTON ACTUATION" for which Assignors are making or has made application for LETTERS PATENT OF THE UNITED STATES, which application has been duly executed by Assignors concurrently herewith; which application has been duly executed by Assignors concurrently herewith; or filed as an application with the United States Patent and Trademark Office as provided herein (I hereby authorize and request that Klintworth & Rozenblat IP LLC, of 850 W. Jackson St., Chicago, IL 60607, to insert here in parenthesis (Application number 14/269,716, filed May 5, 2014) the filing date and application number of said application when known.);

WHEREAS, GUSTAV KLAUKE GMBH, a German corporation, having a place of business at Auf dem Knapp 46, 42855 Remscheid, Germany and Greenlee Textron Inc., a corporation organized and existing under the laws of the State of Delaware, USA, having a place of business at 4455 Boeing Drive, Rockford, Illinois 61109, USA (collectively hereinafter called "the Assignees"), are desirous of acquiring the entire right, title and interest in and to the Invention within the United States of America and its territorial possessions and all foreign countries, and in and to any United States or foreign LETTERS PATENT that may be granted therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignors have assigned, sold and transferred, and does assign, sell and transfer to the Assignees, its successors and assigns, the entire right, title and interest in and to the Invention within the United States of America and its territorial possessions and all foreign countries, and in and to any LETTERS PATENT of the United States and foreign countries, including utility models, inventor's certificates and like government grants that may be granted for any and all portions thereof, and in and to the patent application identified above and applications for patent filed for the Invention in all foreign countries and all provisional, divisional, reissue, continuation, continuation-in-part applications and extensions of any of the applications for patent or LETTERS PATENT identified herein, including all applications claiming the priority of said applications for patent or LETTERS PATENT identified herein, and the right to apply for LETTERS PATENT in foreign countries with full benefit of such priorities as may now or hereafter be granted to Assignors by local laws or by treaty, including any international convention, for the protection of industrial property, together with the right to extend the protection of the United States LETTERS PATENT to the various territorial possessions now owned or which may be hereafter acquired by the United States of America. Assignees will hold all rights for its own use and benefit and for the use and benefit of its successors or assigns to the full end of the term for which the LETTERS PATENT may be granted, as fully and entirely as the same would have been held and enjoyed by Assignors if this assignment and sale had not been made. Assignors requests and authorizes the Commissioner of the U.S. Patent and Trademark Office, and foreign counterpart officials of foreign patent offices, to issue respective LETTERS PATENT in the United States and foreign countries when granted, in accordance with this assignment.

Assignors further covenants and agrees with the Assignees that Assignors have full and unencumbered title to the Invention, which title Assignors warrants to the Assignees. Assignors further agree that Assignors will, without demanding any further consideration therefor, at the request and expense of the Assignees, do all lawful and just acts, including the execution and acknowledgment of instruments, that may be or become necessary for obtaining, sustaining, extending, reissuing or reexamining United States and foreign LETTERS PATENT or the like for the Invention, and for maintaining and perfecting the Assignees' right to the Invention and LETTERS PATENT particularly in cases of interference conflict, opposition and litigation.

IN TESTIMONY WHEREOF, I have signed this Assignment on the date specified below.
