ASSIGNMENT

WHEREAS, I, Timothy J. Solberg, a citizen of the United States, hereinafter referred to as "ASSIGNOR", am the owner of a certain invention entitled "EARPLUG SYSTEM" for which a United States Patent was issued on January 22, 2002 as United States Patent No. 6340227, herein referred to as the "PATENT"; and

WHEREAS, Safety Armor, LLC ("ASSIGNEE"), a limited liability corporation registered in California, having an address of 4085 Keri Way, Fallbrook, CA 92028, is desirous of acquiring the exclusive right, title, and interest in and to said PATENT, including any and all invention disclosures, related patent applications and any Letters Patent to be granted and issued therefore in the United States of America and its territories and possessions, and all countries foreign thereto, and including the entire right, title and interest in and to all income, royalties, damages and payments now or hereafter due or payable with respect to the PATENT, and in and to all causes of action (either in law or in equity), and the right to sue, counterclaim and recover for past, present and future infringement of the PATENT; and

NOW, THEREFORE, for valuable consideration, the receipt of which is hereby acknowledged, the ASSIGNOR, by these presents does hereby sell, assign, transfer, and set over unto the said ASSIGNEE, its successors and assigns, the full and exclusive right, title and interest in and to the PATENT and to all inventions covered thereby and Letters Patent to be granted and issued therefore, including, but not limited to, all continuations, continuations in part, continuing prosecution and/or divisional applications, not only for, to and in the United States of America, its territories and possessions, but for, to, and in all other countries including all priority rights under the International Convention and any other applicable laws or treaties, and including but not limited to the entire right, title and interest in and to all income, royalties, damages and payments now or hereafter due or payable with respect to the PATENT, and in and to all causes of action (either in law or in equity), and the right to sue, counterclaim and recover for past, present and future infringement of the PATENT; and I hereby authorize and request the United States Commissioner of Patents and Trademarks to record, issue or reissue the PATENT or any subsequent Letters Patent to said ASSIGNEE, its successors and assigns in accordance with this Assignment.
