ASSIGNMENT

WHEREAS, we, THOMAS HANF of 3609 North East 50th Street, Kansas City, County of Clay, Missouri (64119), and CHRISTOPHER FINN of 1224 Huntington Drive, Liberty, in the County of Clay, and State of Missouri (64118), have invented certain new and useful improvements in

SYSTEM AND METHODS FOR DISTRIBUTED ANALYSIS OF PATIENT RECORDS for which we have made application for Letters Patent of the United States, Serial No. 11/027,017, filed December 30, 2004; and

WHEREAS, CERNER INNOVATION, INC., a corporation duly organized under the laws of the State of Delaware, and having its principal place of business at 5750 West 95th Street, Suite 310, Overland Park, County of Johnson, and State of Kansas (66207), is desirous of acquiring an interest in, to and under said invention, said application and any and all Letters Patent which may be granted for or upon said invention in the United States of America and all countries foreign thereto;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we, THOMAS HANF and CHRISTOPHER FINN, have sold, assigned and transferred, and by these presents do sell, assign and transfer unto said CERNER INNOVATION, INC. the full and exclusive right, title and interest, throughout the world, in, to and under said invention as fully set forth and described in the above-identified application; in, to and under said application; in, to and under any and all refilings, divisions and continuations of said application; in, to and under any and all Letters Patent of the United States of America which may issue from said application, refilings, divisions and continuations; in, to and under any and all reissues of said

Letters Patent of the United States of America; in, to and under any and all applications for Letters Patent upon said invention which may hereafter be filed in any and all countries foreign to the United States of America; in, to and under any and all refilings, divisions and continuations of said foreign-filed applications; in, to and under any and all Letters Patent of countries foreign to the United States of America, which may issue from the said foreign-filed applications, refilings, divisions and continuations; and in, to and under any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America, the same to be held and enjoyed by said CERNER INNOVATION, INC. for its own use and behoof, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and we do hereby authorize and request the Commissioner of Patents to issue the said Letters Patent in accordance with this assignment.

EXECUTED this 15 day of Feb, 2005.
