ASSIGNMENT AND DECLARATION

ASSIGNMENT

This Assignment and Declaration is made by the following inventor(s):

<u>Inventor/Assignor(s)</u>	<u>Residence City and State</u>
Kay Daniel Vetter	Reno, NV
Joseph R. Hedrick	Reno, NV
Scott Thomas Hilbert	Sparks, NV

to BALLY GAMING, INC., a Nevada Corporation, Assignee, having a place of business at 6601 South Bermuda Road, Las Vegas, NV 89119-7990;

WHEREAS, Assignors have invented a new and useful invention titled: **ELECTRONIC LOCKING MECHANISM** for which one or more Application(s) for United States Letters Patent has been/is being or will be filed; and WHEREAS, Assignors believe themselves to be the original first inventors of the invention(s) disclosed and claimed in such Application filed on May 27, 2014 and assigned Application Number 14/287,912; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said invention(s), said Application, and any Letters Patent that may be granted for said invention in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors agree as follows:

1. That Assignee and or its legal Representative is given the authority and power to enter the Application filing date and Application Number in the event the same is not recorded above.
2. That Assignors have sold, assigned, transferred and set over, and by these presents hereby sell, assign, transfer and set over to Assignee all of Assignors' right, title and interest in, to and under said invention(s) and said Application, including (a) the right to apply for patents in the United States of America and in all foreign countries for said invention(s), (b) all Applications for patents for said invention(s) or based on said Application in all countries, now filed or to be filed, including all non-provisional, divisional, renewal, substitute, continuation, continuation-in-part and convention/treaty Applications based in whole or in part upon said invention(s) or upon said Application, (c) all patents which may issue on said invention(s) and on any application transferred by this Assignment in the United States and foreign countries, and any and all reissues, extensions, divisions, renewals, substitutes, continuations or continuations-in-part of patents granted for said invention(s) or upon such Application, for the full term or terms for which the patents may be issued, and (d) every priority right that is or may be predicated upon or arise from said invention(s), said Application and such patents under any applicable international or bilateral treaty, agreement or convention. Assignor(s) hereby authorize(s) Assignee to file a patent Application in all countries for any or all of said invention(s) in Assignors' name, or in Assignee's name, or otherwise as Assignee may deem advisable, under any international or bilateral treaty, agreement or convention, or otherwise.
3. That Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representative(s) and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing a Letters Patent in the United States and throughout the world for said invention(s), and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to said invention, said application(s), and any Letters Patent granted for said invention in the United States and throughout the world.

recording or maintaining the title of Assignee, its successors and assigns, to said invention, said application(s), and any Letters Patent granted for said invention in the United States and throughout the world.

4. That Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

DECLARATION

(Applies to each Assignor/Inventor)

- 1. The above-identified application was made or authorized by me.
- 2. I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.
- 3. I hereby acknowledge that any willful false statement made in this declaration is punishable under 18. U.S.C. 1001 by fine or imprisonment of not more than five (5) years

IN WITNESS WHEREOF, Assignors have executed this Assignment on the dates written hereinbelow.
