ASSIGNMENT

WHEREAS, Kenny Perry, an individual of the full age of majority residing at 112 Rushmore Lane, Youngsville, Louisiana 70592 ("Assignor") has invented a certain invention for which a non-provisional application titled "CV Joint for Down Hole Motor and Method," for which a non-provisional application for Letters Patent of the United States is filed concurrently herewith;

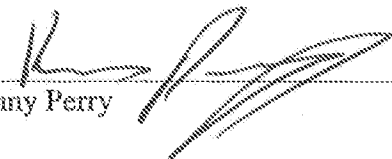

WHEREAS, Innovative Drilling Motors, LLC, a Louisiana limited liability company with a business address at 312 Tideland Drive, Broussard, Louisiana, 70518 (hereinafter referred to as "Assignee"), is desirous of acquiring the entire right, title, and interest in and to said invention and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00), and for other good and valuable consideration, the receipt of which is hereby acknowledged, said Assignors by these presents do hereby sell, assign, and transfer unto Assignee, its legal representatives, successors, and assigns, the full and exclusive right, title and interest in and to said invention, said application, and all provisionals, non-provisional, continuations, continuations-in-part, and divisions thereof, and all Letters Patent of the United States and foreign countries to be obtained therefor and all renewals, reissues, reexaminations, or extensions thereof, for the full term or terms for which the same may be granted.

Assignor hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment and sale. Assignor further covenant that Assignee will, upon its request, be provided promptly with all pertinent facts and documents relating to said invention, said application, and said Letters Patent as may be known and accessible to Assignor, and will testify as to the same in any interference or litigation related thereto, and will promptly execute and deliver to Assignee or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain and enforce said invention, said applications, and said Letters Patent which may be necessary or desirable to carry out the purposes hereof.

Assignor request the Commissioner for Patents to issue any Letters Patent of the United States which may be issued for said invention to Assignee, its legal representatives, successors, and assigns, as the sole owner of the entire right, title, and interest in and to said patent and the invention covered thereby.

THUS DONE AND SIGNED, on this 29<sup>th</sup> day of May, 2014.

  
Kenny Perry

STATE OF LOUISIANA
