**ASSIGNMENT**

WHEREAS, the undersigned have/has made certain inventions which are described in an application for Letters Patent of the United States entitled: **SURGICAL ROD BENDING SYSTEM AND METHOD** and identified by PCT/US2012/067924 filed December 5, 2012, which claims priority of U.S. Provisional Patent Application No. 61/566,891 filed December 5, 2012, preparatory to obtaining United States Letters Patent therefore, and

WHEREAS, **DIGNITY HEALTH** (hereafter referred to as Company), a non-profit public benefit corporation registered under the laws of the State of **CALIFORNIA** having a place of business at **185 BERRY STREET, SUITE 300, SAN FRANCISCO, CALIFORNIA 94107** is desirous of acquiring the entire interest in said inventions throughout the United States of America and the territories thereof, for all other countries and under all international agreements,

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the inventors hereby assign and transfer unto said Company, its successors and assigns, the entire right, title and interest throughout the United States of America and the territories thereof, for all foreign countries and under all international agreements in and to said inventions, the aforesaid application, all other applications hereafter filed in the United States, in any other country, or under any international agreement based in whole or in part on said inventions, and all Letters Patents granted upon said applications by the United States, by any other country or under any international agreement, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said Company. We further grant to said Company, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries or between any other countries.

The undersigned further grant to said Company, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries of between any other countries. The undersigned hereby warrant(s) that they/(s)he have/has the full right to make the conveyance herein, and hereby covenant(s) that the heirs, legal representatives and assigns of the undersigned, will when requested, communicate to said Company, its representatives, successors and assigns, all facts known respecting said inventions, execute all divisional, continuing, reissue, reexamination and foreign or international applications, together with individual assignment therefore, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid said Company, its successors and assigns, in the obtaining of Letters Patent.
