Assignment

WHEREAS, I Christopher Peter PLACE, have made an invention entitled JUMP CABLE for which I have executed an application for Letters Design Patent of the United States on or filed an application for Letters Design Patent of the United States on June 2, 2014 under Application No. 29/492,714; and

WHEREAS, Design Pool Limited ("ASSIGNEE"), a corporation or other business entity organized under the laws of HONG KONG, and whose postal address is Room 2104-2105, 21/F, Nam Wo Hong Building, 148 Wing Lok Street, Sheung Wan, HONG KONG, desires to acquire the entire right, title, and interest in and to the invention in all countries throughout the world, and in and to an application for United States Letters Design Patent on the invention and any Letters Design Patent of the United States to be granted for the invention;

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt and sufficiency of which I acknowledge, I, have, assigned, transferred, and set over, and do hereby assign, transfer, and set over unto ASSIGNEE, its successors, legal representatives, and assigns, the entire right, title, and interest in and to the invention, including any improvement thereof, the application, all applications claiming benefit of the application, including, but not limited to, all divisions, continuations, and continuation-in-part of the application, and all Letters Design Patent that may be granted thereon in the United States and in all foreign countries, and all reissues or re-exams thereof, together with the right to claim priority under the International Convention in all member countries, for said invention or improvements, including all priority rights, and any and all Letters Design Patent which may be granted in foreign countries therefor, and in and to any other applications based in whole or in part on any of the foregoing; and I authorize and request the Director of the United States Patent and Trademark Office to issue all Letters Design Patent for the invention to ASSIGNEE, its successors, legal representatives, and assigns in accordance with the terms of this Assignment;

AND I covenant and agree that I have the full right to convey the entire right, title, and interest herein assigned and that I have not executed and will not execute any assignment or other instrument in conflict with this Assignment;

AND I further covenant and agree that upon request by ASSIGNEE, its successors, legal representatives, and/or assigns, and without further consideration, I will do all lawful acts that may be necessary or desirable to assist ASSIGNEE, its successors, legal representatives, and/or assigns to obtain and enforce patent protection for the invention in the United States and in all foreign countries, including, but not limited to, communicate with ASSIGNEE, its successors, legal representatives, and/or assigns any facts known to me/us regarding the invention, testify in any legal proceeding, sign all lawful papers, execute and deliver all papers that may be necessary or desirable to perfect the title to the invention in ASSIGNEE, its successors, legal representatives, and/or assigns, execute all divisional, continuation, and reissue applications, and make all rightful oaths, it being understood that any expense incident to the rendering of such assistance will be borne by ASSIGNEE, its successors, legal representatives, and/or assigns;

AND I further hereby authorize ASSIGNEE or its attorneys or agents to insert the correct application number and filing date into this Assignment, if none is indicated on that date of my/our execution of this Assignment.

IN WITNESS WHEREOF, I have executed this Assignment on the date(s) indicated below.
