COVER SHEET FOR EXECUTED AGREEMENTS

PATENT ASSIGNMENT

WHEREAS, CONEXANT, INC. ("Assignor") is a Delaware corporation with an office at 1901 Main Street, Suite 300, Irvine, CA 92614;

WHEREAS Assignor and LSI Corporation are co-owners of certain inventions, patents and patent applications identified in the attached "Patent Schedule"; and

WHEREAS, CONEXANT SYSTEMS, INC. ("Assignee"), a Delaware corporation with an office at 1901 Main Street, Suite 300, Irvine, CA 92614, wishes to acquire Assignor's full rights and ownership of said inventions, patents and patent applications.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor grants, conveys, assigns and transfers to the Assignee, and the Assignee's successors and assigns, Assignor's entire right, title and interest in and to said inventions, patents, patent applications and associated invention disclosures of the same listed on the attached Patent Schedule, including all continuations, continuations-in-part, divisionals, provisionals, reissues and reexaminations thereof and the subject matter of any and all claims which may be obtained in every such patent, as well as all corresponding foreign patents and foreign patent applications in which the same exist along with all rights of priority and the right to file applications for patents based thereon and to prosecute such applications and receive patents thereon in its own name, all of the same to be held and enjoyed by said Assignee, its successors, assigns or other legal representatives, for its own use and advantage, and for the use and advantage of its successors, assigns or other legal representatives to the end of the term or terms for which patents are or may be granted, re-issued or reexamined, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not be made, including all rights to profits and damage by reason of past infringement by any party or parties, with the right to sue and collect the same for its own use and benefit and for the use and benefit of its successors, assigns or other legal representatives.

UPON SAID CONSIDERATION, Assignor appoints Assignee and Assignee's successors and assigns as its attorney-in-fact to act in Assignor's name and place to execute, deliver and record any document or instrument of assignment or conveyance necessary to perfect, grant, and confirm the rights granted herein, and Assignor conveys to the Assignee the right to make application, prosecute, receive and enforce in its own behalf and name the inventions, patents and patent applications listed in the "Patent Schedule" in the United States and all foreign countries and to claim priority therefrom under the Patent Cooperation Treaty, the International Convention and/or any other international arrangement.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Patent Assignment to be duly executed by one of its officers effective March 4, 2014.
