**ASSIGNMENT**

This Assignment is made and entered into by and between (1) William E. Barrie, residing at 684 Burr Street, Fairfield, CT 06824, and (2) Stephen A. Santos, residing at 18 Apple Ridge Rd., Cumberland, RI 02864, collectively hereinafter "INVENTOR"), and Mantrose-Hauser Company, Inc., with its principal place of business at 6 Blackstone Valley Place, Lincoln, RI 02865 (hereinafter referred to as "MANTROSE").

Whereas, INVENTOR has invented certain inventions described in U.S. Patent Application for United States Letters Patent entitled SHELLAC BASED SPRAYABLE SUNSCREEN, filed on March 13, 2014, and assigned U.S. Patent Application Serial Number 14/344,635 ("the Patent Application") which Patent Application INVENTOR has reviewed.

Whereas, MANTROSE desires to acquire the entire right, title and interest in said applications and inventions, and to any United States and foreign patents to be obtained therefor; and

Now, therefore, for good and valuable consideration, receipt of which is hereby acknowledged:

1. INVENTOR hereby sells, assigns, and transfers to MANTROSE, its successors and assigns, the entire right, title and interest, so far as concerns the United States and the Territories and Possessions thereof and all foreign countries, in and to the Patent Application, the inventions set forth in the Patent Application, any and all other applications for Letters Patent on said inventions in the United States and in countries foreign to the United States, including all conversion, provisional, non-provisional, divisional, renewal, extension, reexamination, substitute, continuation, continuation-in-part, reissue, and Convention applications based in whole or in part upon said inventions or upon said applications, or claiming the benefit or priority thereof, and any and all Letters Patent and reissues and extension of Letters Patent granted for said inventions or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said applications and said Letters Patent.

2. MANTROSE is hereby authorized to file patent applications in any or all countries on any or all said inventions in the name of the INVENTOR or in the name of

MANTROSE or otherwise as MANTROSE may deem advisable, under the International Convention or otherwise.

3. The Commissioner of Patents of the United States of America and the empowered officials of all other governments are hereby authorized to issue or transfer all said Letters Patent to MANTROSE in accordance herewith.

4. This Assignment is being made under covenant, not only that full power to make the same is had by the INVENTOR, but also that, at the time of execution of this Assignment, such assigned right is not encumbered by any grant, license, governmental restriction, or other right heretofore given.

5. The INVENTOR agrees that he will do all acts reasonably serving to assure that said inventions, patent applications and Letters Patent shall be held and enjoyed by MANTROSE as fully and entirely as the same could have been held and enjoyed by the INVENTOR if this Assignment had not been made, and particularly to execute and deliver to MANTROSE all lawful documents including without limitation petitions, specifications, oaths, assignments, invention disclaimers, lawful affidavits, and declarations in form and in substance which may be requested by MANTROSE, to furnish MANTROSE with all facts relating to said inventions or the history thereof and any and all documents, photographs, models, samples or other physical exhibits which may be useful for establishing the facts of conception, disclosure and reduction to practice of said inventions, and to cooperate with MANTROSE and counsel and testify in any proceedings relating to said inventions, patent applications and Letters Patent.

6. INVENTOR hereby requests that MANTROSE or its counsel enter or correct the date(s) of execution of the afore-referenced Patent Application, and enter or correct the Application Serial No. if available, prior to recording this assignment, to have the same effect as if entered prior to execution of this Assignment.

7. INVENTOR agrees that this Assignment shall be construed in accordance with the laws and courts of Ohio. INVENTOR hereby also agrees to submit to the jurisdiction of any Ohio court.
