diligently register any trademark, service mark, trade name or other Intellectual Property of Grantor which is registrable with the applicable governmental or other registration authority. Without the prior written consent of the Majority Holders, Grantor shall not apply to register any copyrightable works or mask works with the U.S. Copyright Office, and any consent to such registration shall be conditioned upon Grantor executing such documents and taking such further actions as the Majority Holders shall reasonably request in their sole discretion to perfect and continue perfected, maintain the priority of or provide notice of, the security interest granted to the Secured Parties under this Agreement in such copyrightable works notwithstanding such copyright registration.

**5.7 Consents.** At the Majority Holders' request, Grantor will use its diligent efforts to obtain from each Person from whom Grantor (a) has rights to occupy any premises at which any Collateral is at any time present pursuant to any Lease or (b) licenses Licensed Core IP, any such collateral access, subordination, waiver, consent, estoppel or similar agreements as the Majority Holders may reasonably require to obtain acknowledgement of the security interest in such Collateral or Licensed Core IP and obtain rights for the Secured Parties to use such Collateral after an Event of Default and to transfer Grantor's rights in such Collateral in any disposition on behalf of the Secured Parties under the UCC after an Event of Default, in form and substance reasonably satisfactory to the Majority Holders.

**5.8 Deposit and Security Accounts; Control.** Grantor shall give the Majority Holders prompt written notice of Grantor's acquisition after the Effective Date of any Investment Property and shall not establish any new Deposit Account, any new Securities Account or any new Commodities Account unless it shall have given the Majority Holders thirty (30) days advance written notice thereof and taken such further steps (including entering into a control agreement with the relevant institution in form and substance satisfactory to the Majority Holders) so that, upon the acquisition of such Investment Property or the creation of each such new account, as applicable, the Secured Parties shall have a perfected security interest in such Investment Property or such account. Grantor shall promptly deposit for collection any checks, drafts or other cash equivalents it receives drawn to its order or endorsed to it and shall deposit all Money received from time to time (other than reasonable petty cash advances) in its existing Deposit Accounts. Except with regard to dispositions permitted under Section 5.3, Grantor shall not take any action with regard to any Deposit Account, Securities Account, Investment Property, Letter-of-Credit Right or Electronic Chattel Paper which is likely to have the effect of depriving the Secured Parties of Control or its ability to obtain Control over such Collateral.

**5.9 Taxes.** Grantor shall pay all Taxes due and owing by Grantor at such time as they become due, except for any Taxes subject to bona fide dispute for which Grantor makes adequate reserves and diligently pursues resolution of such dispute.

6. **RIGHTS AND REMEDIES UPON EVENT OF DEFAULT.** Upon the occurrence, and during the continuance, of an Event of Default, the Secured Parties shall have, in addition to all other rights and remedies granted to the Secured Parties in this Agreement or the other Financing Documents, all rights and remedies of a secured party under the UCC and other applicable laws. Without in any way limiting the generality of the foregoing and subject to the rights of any Senior Indebtedness, upon the occurrence, and during the continuance, of an Event of Default:

**6.1 Disposition of Collateral.**

6.1.1 The Secured Parties may, by instruction of the Majority Holders, sell, resell, lease, use, assign, license, sublicense, transfer or otherwise dispose of any or all of the Collateral in its then condition or following any commercially reasonable preparation or processing thereof (utilizing in connection with such preparation or processing of Grantor's assets, without charge or liability to any Secured Party therefor) at public or private sale, by one or more contracts, in one or more parcels, at the same or at different times, for cash or credit, or for future delivery without assumption of any credit risk, all as they deem advisable.

6.1.2 Each Secured Party shall have the right upon any such public sale, and, to the extent permitted by law, upon any such private sale, to purchase the whole or any part of the Collateral so sold by canceling or offsetting indebtedness that constitutes Obligations, free and clear of any right or equity of redemption, which right or equity of redemption Grantor hereby releases, to the full extent permitted by law.

6.1.3 Grantor hereby agrees, except with regard to Collateral that is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, that the sending of notice to Grantor in compliance with Section 9.5, of the place and time of any sale or other intended disposition is to be made shall be deemed reasonable notice thereof if such notice is given ten (10) or more days prior to the date (a) of any such public sale or (b) on or after which any private sale or other private disposition may occur.

6.1.4 Grantor agrees promptly to execute and deliver, or promptly to cause to be executed and delivered, such transfer instruments, documents, bills of sale, assignments, waivers, certificates and affidavits and to supply or cause to be supplied such further information and take such further action as the Majority Holders may reasonably require in connection with, and to effect, any such sale or disposition.

**6.2 Collections; Surrender of Cash Collateral.** The Majority Holders may, without notice to or demand upon Grantor, (a) instruct any bank at which Grantor maintains a Deposit Account to pay the balance of the Deposit Account to or for the benefit of the Secured Parties; and (b) notify account debtors and other Persons obligated on any of the Collateral of the security interest granted hereunder in any Account, Chattel Paper, General Intangible, Instrument or other cash collateral and that payment thereof is to be made directly to or at the direction of the Majority Holders. Upon the occurrence and during the continuation of an Event of Default, Grantor's right to use its cash and cash equivalent as set forth in Section 5.3 shall cease, and Grantor shall hold all Money, proceeds of collection of Accounts, Chattel Paper, General Intangibles, Instruments, Letter-of-Credit Rights and other Collateral received by Grantor as

trustee for the Secured Parties without commingling the same with other funds of Grantor and shall turn the same over the Secured Parties at the direction of the Majority Holders in the identical form received, together with any necessary endorsements or assignments.

**6.3 Application of Proceeds.** The cash proceeds actually received from the sale or other disposition or collection of the Collateral, and any other amounts received in respect of the Collateral, shall be applied: first, to the payment of all Enforcement Costs and second, to the payment of the other Obligations (in the order provided in the Notes). Any surplus Proceeds remaining after payment and performance in full of the Enforcement Costs and the other Obligations (such remainder, a "*Surplus*") shall be promptly paid over to Grantor or otherwise disposed of in accordance with the UCC or other applicable law. Grantor shall remain liable to the Secured Parties for any deficiency that exists after any sale, collection or other disposition of the Collateral. Distribution of Collateral (including any Proceeds) in satisfaction of the Obligations shall be made to each Secured Party pro rata in accordance with its respective Pro Rata Share.

**6.4 Costs and Expenses.** Grantor agrees to pay on demand all costs and expenses of the Secured Parties, and the reasonable fees and disbursements of counsel to the Secured Parties: (a) in connection with the enforcement or attempted enforcement of, and preservation of any rights or interests under, this Agreement and the other Financing Documents; (b) associated with the protection, sale or collection of, or other realization upon, any of the Collateral; including all expenses of taking, collecting, holding, sorting, handling, preparing for sale, selling or the like and other such expenses of sales and collections of the Collateral; and (c) fees paid on behalf of Grantor under Section 7 (all such costs and expenses described in this paragraph being collectively referred to herein as the "*Enforcement Costs*").

**6.5 No Election of Remedies.** The election by Majority Holders on behalf of the Secured Parties of any right or remedy will not prevent the Majority Holders on behalf of the Secured Parties from exercising any other rights or remedies against Grantor, and all such rights and remedies shall be cumulative.

**6.6 Exercise of Remedies Only In Concert.** Notwithstanding any other provision of this Agreement, the Secured Parties shall not individually exercise rights and remedies against the Company under this Agreement, the Notes or any other Financing Document with regard to any Obligations, but all such rights and remedies shall be exercised by and on behalf of the Secured Parties only at the direction of the Majority Holders as provided herein.

**6.7 Certain Waivers of Grantor.** Grantor waives the following, to the fullest extent permitted by law:

(a) any right of redemption with respect to the Collateral, whether before or after sale hereunder;

(b) any right to require the Secured Parties (i) to proceed against any Person, (ii) to exhaust any other collateral or security for any of the Obligations, (iii) to pursue any right or remedy in the Secured Parties' power or (iv) to make or give any pre-

sentments, demands for performance, notices of nonperformance, protests, notices of protests or notices of dishonor in connection with any of the Collateral; and

(c) all claims, damages and demands against any Secured Party arising out of the repossession, retention, sale or application of the Proceeds arising from any sale or other disposition of the Collateral to the extent not arising from gross negligence or willful misconduct of the Secured Parties or their agents.

7. **AUTHORIZATION; ATTORNEY-IN-FACT.** Subject to their obligation under Section 6.6 to act in concert, the Secured Parties shall have the right, in the name of Grantor, or in the name of a designated Secured Party, upon notice to, but without the requirement of any consent by Grantor, and Grantor hereby constitutes and appoints each of the Secured Parties (and any employees or agents designated by the Majority Holders) as Grantor's true and lawful attorney-in-fact, with full power and authority:

(a) whether or not an Event of Default has occurred and is continuing, to (i) sign or authenticate any financing statements and other documents and instruments that must be executed or filed to perfect or continue perfection, maintain the priority of, or provide notice of, the security interests in the Collateral granted hereunder, (ii) pay or discharge Taxes or Liens any time levied or placed on or threatened against the Collateral, and charge all sums made with regard to such payments to Grantor; and

(b) so long as an Event of Default shall have occurred and is continuing (but not otherwise) to (i) endorse any notes, checks, drafts, money orders or other instruments of payment in respect of the Collateral that may come into the Secured Parties possession; (ii) sign and endorse any drafts against Grantor, assignments, verifications and notices in connection with accounts and other documents relating to the Collateral; (iii) with the consent of the Majority Holders, demand, collect, issue receipt for, compromise, settle and sue for monies due in respect of the Collateral; and (iv) execute any and all such other documents and instruments, and do any and all acts and things for and on behalf of Grantor, that the Majority Holders may reasonably deem necessary or advisable to maintain, protect, realize upon and preserve the Collateral and the security interests therein under this Agreement and to accomplish the purposes of this Agreement.

The foregoing powers of attorney are coupled with an interest and are irrevocable so long as the Obligations have not been paid and performed in full, and they shall terminate upon termination of the Agreement pursuant to Section 2.3. Grantor hereby ratifies, to the extent permitted by law, all that the Secured Parties shall lawfully and in good faith do or cause to be done by virtue of and in compliance with this Section 7.

8. **SUBORDINATION TO SENIOR INDEBTEDNESS.** Each of the Secured Parties agrees to execute and deliver to the Company any customary subordination agreement required by any third party to whom any Senior Indebtedness is or will be owed.

9. **GENERAL PROVISIONS.**

9.1 **Survival of Warranties.** The representations, warranties and covenants of Grantor and the Secured Parties contained in or made pursuant to this Agreement shall survive

the execution and delivery of this Agreement and shall in no way be affected by any investigation of the subject matter thereof made by or on behalf of any of the Secured Parties or Grantor, as the case may be.

**9.2 Successors and Assigns.** This Agreement may only be assigned in conjunction with an assignment of a Note. The terms and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties.

**9.3 Governing Law.** This Agreement shall be governed by and construed under the internal laws of the State of California as applied to agreements among California residents entered into and to be performed entirely within the State of California, without reference to principles of conflict of laws or choice of laws (other than such mandatory provisions under the UCC) and, to the extent applicable, by federal law.

**9.6 Amendments and Waivers.** Other than as provided in Section 9.9, any term of this Agreement may be amended and the observance of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively), only with the written consent of Grantor and the Majority Holders; provided, however, that (a) New Investors may become parties to this Agreement in accordance with Section 9.9 without any amendment of this Agreement or any consent or approval of any Secured Party. Any amendment or waiver effected in accordance with this Section 9.6 shall be binding upon each Secured Party and Grantor. Any Secured Party's acceptance of a partial or delinquent payment

from Grantor under any Note or hereunder nor such Secured Party's failure to exercise any right hereunder or under the other Financing Documents shall constitute a waiver of any obligation of Grantor, or of any right of the Secured Parties hereunder or thereunder, nor shall it affect in any way the right of the Secured Parties to require full performance at any time thereafter.

**9.7 Severability.** If one or more provisions of this Agreement are held to be unenforceable under applicable law, then such provision(s) shall be excluded from this Agreement and the balance of the Agreement shall be interpreted as if such provision(s) were so excluded and shall be enforceable in accordance with its terms.
