**TERMINATION AND RELEASE OF SECURITY INTEREST**

THIS TERMINATION AND RELEASE OF SECURITY INTEREST ("Release") is granted and conveyed as of this 15<sup>th</sup> day of May 2014, by Wells Fargo Bank, National Association, as trustee and collateral agent (the "Trustee") in favor of First Data Corporation (the "Obligor") and its successors in interest.

**WITNESSETH:**

WHEREAS, pursuant to that certain security agreement, dated as of August 20, 2010 and the security agreement, dated as of December 17, 2010 (each, as supplemented, amended or otherwise modified from time to time, collectively, the "Security Agreements"), the Grantors (as defined in the Security Agreements) granted a security interest (the "Security Interest") in certain of their tangible and intangible personal property, including patents;

WHEREAS, the Obligor has requested that the Trustee: (a) terminate and release the entirety of the Security Interest of the Trustee in United States Patent 7,330,871, entitled "Online Machine Data Collection and Archiving Process", issued February 12, 2008 (the "Keynetics Patent") pursuant to Section 6.5(d) of each of the Security Agreements; and (b) execute and deliver evidence of such termination and release for filing in the U.S. Patent and Trademark Office; and

WHEREAS, the parties now seek to make a record of the Grantors' termination and release of the entirety of their Security Interest in the Keynetics Patent.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Trustee, in reliance on the certificate from the Obligor dated as of the date hereof, and without independent investigation, recourse or warranty, hereby releases, discharges, and relinquishes the Security Interest in the Keynetics Patent, and any right, title or interest of the Trustee in such Keynetics Patent shall hereby cease and become void. The Trustee specifically acknowledges that all liens and security interests in the Keynetics Patent are no longer in force.

The parties agree to perform all further acts, and execute and deliver such further documents, as may be required by law or as Keynetics Inc. may reasonably request to implement and/or give effect to this Release and the transactions and releases contemplated by it and for the purpose of vesting in Keynetics Inc. sole unencumbered ownership of the Keynetics Patent. Upon signature, this Release may be filed by Keynetics Inc. with the United States Patent Office and foreign patent offices, without any further consent required from the parties.

FURTHERMORE, the Obligor and the Trustee acknowledge that the above release applies only to the Keynetics Patents and shall have no effect on security interests to other property under the Security Agreements.

IN WITNESS WHEREOF, the Trustee has caused this Release to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
