# Company To Company Assignment (PATENT RIGHTS)

WHEREAS, Med-Genesis, LLC (hereinafter referred to as "ASSIGNOR"), having a place of business at: 4900 Creekside Drive, Suite C, Clearwater, Florida 33760 is the owner of the entire right, title and interest in and to U.S. and foreign Patents and Patent Applications attached hereto as Attachment 1 (the "Patent Rights") and the invention claimed therein (the "Invention"); and

WHEREAS, HYDROMARK, LLC (hereinafter referred to as "ASSIGNEE"), having a place of business at: 4900 Creekside Drive, Suite C, Clearwater, Florida 33760, is desirous of acquiring the full and exclusive right in and to said Invention and the entire right, title and interest in and to said Patent Rights, including any Letters Patent which may be granted therefor, in the United States and its territorial possessions and in any and all foreign countries, including any and all continuation, division, continuation-in-part, renewal, substitute, reissue, or reexamination thereof, and any other application claiming priority thereto, including future inventions or improvements, for the full term or terms for which the same may be granted;

NOW, THEREFORE, in consideration of the sum of FIVE DOLLARS (\$5.00), the receipt whereof is hereby acknowledged, and for other good and valuable consideration, ASSIGNOR, by these presents, agrees to and hereby sells, assigns, and transfers to said ASSIGNEE the full and exclusive right in and to said Invention and Patent Rights in the United States and its territorial possessions and in all foreign countries and the entire right, title and interest, including the right to sue for past infringement, if any, and all rights pursuant to 35 U.S.C. §154, in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possession and in any and all foreign countries and in and to any and all continuation, division, continuation-in-part, renewal, substitute, reissue, or reexamination thereof, and any other application claiming priority thereto, including future inventions or improvements, for the full term or terms for which the same may be granted;

ASSIGNOR hereby authorizes and requests the Patent Office Officials in the United States and its territorial possessions and in any and all foreign countries to issue any and all of said Letters Patent, when granted, to said ASSIGNEE as the assignee of the entire right, title and interest in and to the same, for the sole use and behoof of said ASSIGNEE and said ASSIGNEE's successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by ASSIGNOR had this assignment and sale not been made.

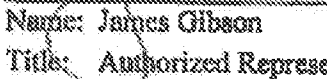

The ASSIGNOR agrees to execute all papers necessary in connection with said Invention and any continuing, divisional, continuation-in-part, reissue, or reexamination applications thereof, and any other applications claiming priority thereto, including future inventions or future improvements, and also to execute separate assignments in connection with such applications as may be necessary.

The ASSIGNOR agrees to execute all papers necessary in connection with any interference, litigation, or other legal proceeding which may be declared concerning said Invention or any continuation, division, continuation-in-part, reissue, or reexamination thereof or Letters Patent or reissue patent issued thereon, and any other applications claiming priority thereto, including future inventions or future improvements, and to make best efforts to cooperate with the ASSIGNEE in obtaining and producing evidence and proceeding with such interference, litigation, or other legal proceeding.
