ASSIGNMENT

WHEREAS, We, the undersigned, Frank J. Bova, Ph.D., and William Alan Friedman, M.D., residing at the addresses listed below, have invented certain new and useful subject matter for which an application for United States letters patent was signed by us on _____ entitled, SIMULATION SYSTEM AND METHODS FOR SURGICAL TRAINING (the "Invention").

WHEREAS, by virtue of our employment, appointment, or affiliation with the University of Florida (the "University") and pursuant to the Intellectual Property Policy of and my Intellectual Property Agreement with the University, we have assigned all our rights in the Invention to the University or its assignee or designee;

WHEREAS, the University has designated the University of Florida Research Foundation, Incorporated (the "Foundation"), existing by virtue of the laws of the State of Florida and having an office at 223 Grinter Hall, Gainesville, Florida 32611, to be the assignee of its entire right, title and interest in the Invention;

THEREFORE, for valuable consideration, the sufficiency and receipt of which we hereby acknowledge, we confirm and ratify the sale, assignment, and transfer to the Foundation, its successors and assigns, all our rights in the Invention and in all divisional, continuing, substitute, renewal, reissue, and all other applications for letters patent which are or have been filed for the Invention in the United States, its territorial possessions, and all foreign countries and in all patents and extensions which may be granted for the Invention.

We hereby authorize and request patent office officials in the United States and in all foreign countries to issue any patents in the Invention when granted to the Foundation as the assignee of our entire right, title, and interest in the patents.

We hereby assign to the Foundation, its successors and assigns, all of our rights to sue for and recover damages and profits arising from past infringements or unauthorized use of any patent that issues on the Invention or unpaid royalties with respect to use of any rights in the Invention occurring before the execution date of this Assignment.

We also agree that, in regard to the Invention, we will communicate to the Foundation or its representatives any facts known to us; testify in any legal proceedings; sign all lawful papers; execute all divisional, continuing, substitute, renewal, reissue, and other applications for letters patent; execute all necessary papers; make all rightful oaths; and generally do everything possible to aid the Foundation, its successors and assigns, to obtain and enforce proper protection for the Invention in the United States, its territorial possessions, and all foreign countries.
