PATENT APPLICATION

DECLARATION FOR PATENT APPLICATION USING AN
APPLICATION DATA SHEET AND ASSIGNMENT

ATTORNEY DOCKET NO. 700P139A

As a below named inventor I hereby declare that: I believe that I am the original and first inventor, or an original joint inventor, of the subject matter which is claimed and for which a patent is sought on the invention entitled: **Methods and Systems for Quantitative Fluorescence-Based Detection of Molecules and Proteins**, the application of which is attached hereto.

The above-identified application was made or authorized to be made by me.

I hereby state that I have reviewed and understand the contents of the above identified application, including the claims, as amended by any amendment specifically referred to above.

I am aware of the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

POWER OF ATTORNEY:

As a named inventor, I hereby appoint the following attorney(s) and/or agent(s) associated with 28264 to prosecute this application and transact all business in the Patent and Trademark Office connected therewith.

Direct all correspondence to the
address associated with Customer **28264**
Number::

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

WHEREAS, the undersigned inventor(s) has/have made certain new inventions and/or useful improvements in the above-identified application for Letters Patent which is being or has been filed with the United States Patent and Trademark Office.

WHEREAS, SRC, Inc., a corporation formed in the State of New York and having an address of 7502 Round Pond Road, North Syracuse, New York 13212 ("Assignee") is desirous of acquiring my entire right, title and interest in the same;

NOW, THEREFORE, BE IT KNOWN that for and in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration to me in hand paid, the receipt and sufficiency of which is hereby duly and fully acknowledged, have sold and BY THESE PRESENTS do sell, assign, transfer and set over unto Assignee my entire right, title and interest in and to the aforesaid application for Letters Patent, including all divisions, continuations, reissues, reexaminations, renewals, extensions, counterparts, substitutes, and extensions thereof, and all rights of priority resulting from the filing of such applications and granting of such patents. In addition, each undersigned inventor hereby authorizes and requests the Director of the United States Patent and Trademark Office to issue any United States Patent, and foreign patent authorities to issue any foreign patent, granted for the Invention, to SRC, Inc., its successors, legal representatives, and assigns, the entire worldwide right, title, and interest in and to the same to be held and enjoyed by SRC, Inc., its successors, legal representatives, and assigns to the full end of the

terms for which any and all such patents may be granted, as fully and entirely as would have been held and enjoyed by the undersigned had this Assignment not been made; and each undersigned inventor agrees to execute

any and all documents and instruments and perform all lawful acts reasonably related to recording this Assignment or perfecting title to the Invention and all related patents and applications, in SRC, Inc., its successors, legal representatives, and assigns, whenever requested by SRC, Inc., its successors, legal representatives, or assigns.

Each undersigned inventor acknowledges their prior and ongoing obligations to sell, assign, and transfer the rights under this Assignment to SRC, Inc. and is unaware of any reason why they may not have the full and unencumbered right to sell, assign, and transfer the rights hereby sold, assigned, and transferred, and has not executed, and will not execute, any document or instrument in conflict herewith. Each undersigned inventor also hereby grants SRC, Inc., its successors, legal representatives, and assigns, the right to insert in this Assignment any further identification (including, but not limited to, patent Application Number) which may be necessary or desirable for recordation of this Assignment.
