ASSIGNMENT

WHEREAS, I, **Brad Tabor** of 900 N. Belcrest, Springfield, Missouri 65802; a citizen of United State of America, have invented a new and useful improvement in CORRUGATED PAPER STRUCTURS for which I am about to make or have made application for Letters Patent of the United States; namely;

WHEREAS, **Southern Missouri Containers, Inc.**, a corporation duly organized under the laws of the State of Missouri and having its principal place of business at 900 N. Belcrest, Springfield, Missouri 65802, is desirous of acquiring all rights, title and interests in and to said invention, said applications, and in and to any and all Letters Patent which may be granted for or upon said invention and applications in the United States of America and anywhere in the world.

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt of which is hereby acknowledged, I, Brad Tabor, have sold, assigned and transferred, and by these presents do sell, assign and transfer, unto said Southern Missouri Containers, Inc., the full and exclusive right, title and interest, throughout the world, in, to and under the following:

- (a) said invention as fully set forth and described in the specification prepared, and executed by us preparatory to obtaining Letters Patent of the United States therefor;
- (b) said application(s);
- (c) any and all refilings, divisions, continuations and continuations-in-part of said application(s);
- (d) any and all Letters Patent of the United States of America which may issue from said application(s), refilings, divisions, continuations and continuations-in-part;
- (e) any and all reissues and reexaminations of said Letters Patent of the United States of America;
- (f) any and all application(s) for Letters Patent upon said invention which may hereafter be filed in any and all countries foreign to the United States of America;

(g) any and all refilings, divisions and continuations of said foreign-filed application(s);

(h) any and all Letters Patent of countries foreign to the United States of America which may issue from the said foreign-filed application(s), refilings, divisions and continuations; and

(i) any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America.

I, Brad Tabor, further agree that upon request I will provide promptly all pertinent facts and documents relating to said invention and said Letters Patent and legal equivalents as may be known and accessible and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to Southern Missouri Containers, Inc. or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application(s), said invention and said Letters Patent and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.

All of the above shall be held and enjoyed by said Southern Missouri Containers, Inc. for its own use and benefit, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and I hereby authorize and request the Commissioner of Patents and Trademarks to issue the said Letters Patent in accordance with this Assignment.
