RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY

THIS RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY (the "Release") is made as of the 28th day of May 2014, by and between Silicon Valley Bank, a California-chartered bank ("Assignee") and Predictix, LLC, a Georgia limited liability company (the "Assignor").

WHEREAS, in connection a loan transaction, Assignee and Assignor entered into certain loan and security agreements (as amended, supplemented, or otherwise modified from time to time, the "Agreements") for the purpose of securing certain obligations of Assignor to Assignee;

WHEREAS, pursuant to the Agreements, Assignor granted the Assignee a security interest in all of the Assignor's collateral, as more particularly defined in the Agreements, including certain patents identified on the United States Patent and Trademark Office Notice of Recordation of Assignment Document, attached hereto as Exhibit A (the "Intellectual Property"); and

WHEREAS, all of the indebtedness and other obligations secured by the Assignee's security interest in the collateral, including the Intellectual Property, has been repaid in its entirety, and the Assignee is therefore obligated to release its security interest in the Intellectual Property;

NOW, THEREFORE, for valuable consideration and pursuant to the terms and conditions set forth in the Agreements:

The Assignee hereby terminates and releases its security interest in the Intellectual Property, identified on Exhibit A attached hereto, and the Assignee hereby assigns and transfers to Assignor the Assignee's entire right, title, and interest in and to the Intellectual Property, effective as of the date set forth above.

Assignee hereby agrees to execute such further instruments and documents and perform such further acts as Assignee may deem necessary to secure to Assignor the rights herein conveyed.
