DATED 3 February, 2009

- (1) QRG LIMITED
- (2) ATMEL CORPORATION

ASSIGNMENT OF INTELLECTUAL PROPERTY RIGHTS

LG

THIS AGREEMENT is made on

2009

BETWEEN:

- (1) **QRG LIMITED**, a company incorporated and registered in England and Wales with company number 3540505 whose registered office is c/o Rothman Pantall & Co, 10 Romsey Road, Eastleigh, Hampshire, SO50 9AL ("QRG"); and
- (2) **ATMEL CORPORATION**, a company incorporated and registered in the state of Delaware, whose principal place of business is at 2325 Orchard Parkway, San Jose, California, 95131, United States of America ("Atmel Corp").

RECITALS:

- (A) QRG has created certain materials described in Schedule 2 ("Work").
- (B) QRG is the proprietor of the applications for, and registrations of, the intellectual property rights set out in Schedule 3 (together the "Registered IPRs").
- (C) Atmel Corp wishes to obtain the rights to further develop and improve the Intellectual Property Rights in the Work in connection with the research and development, design, reproduction, modification, manufacture, marketing and sale of the Work.
- (D) QRG has agreed to assign to Atmel Corp all Intellectual Property Rights in the Work and the Registered IPRs on the terms set out below.

IT IS AGREED as follows:

1. INTERPRETATION

1.1 The definitions in this clause applies in this agreement.

"Business"	the development and supply of sensing solutions for touch screens and other touch controls carried on by QRG as at the Completion Date;
"Business Day"	a day (other than a Saturday, Sunday or public holiday) when banks in London are open for business;
"Completion Date"	the date of this agreement;
"Excluded Rights"	trade marks, service marks, trade, business and domain names, rights in trade dress or get-up, rights in goodwill or to sue for passing off, unfair competition rights in each case whether registered or unregistered, and all similar or equivalent rights or forms of protection in any part of the world;
"Intellectual Property Rights"	patents, rights to inventions, utility models, copyright and related rights, trade marks, service marks, trade, business and domain names, rights in trade dress or get-up, rights in goodwill or to sue for passing off, unfair competition rights, rights in designs, rights in computer software, database rights, topography rights, moral rights, rights in confidential information (including know-how and

02/02/2009

PAGE 2

trade secrets) and any other intellectual property rights, in each case whether registered or unregistered and including all applications for and renewals or extensions of such rights, and all similar or equivalent rights or forms of protection in any part of the world;

"Market Value" the value of the Assets determined in accordance with the provisions of Schedule 1;

"Promissory Note" the promissory note for a principal amount equal to the Market Value to be issued by Atmel Corp in the agreed form; and

"Purchase Price" an amount expressed in pounds sterling which is equal to the Market Value.

1.2 Documents in agreed form are documents in the form agreed by the parties to this agreement and initialled by them or on their behalf for identification

2. ASSIGNMENT

2.1 Pursuant to and for the consideration set out in this agreement, QRG assigns to Atmel Corp the following rights (together referred to as the "Assets"):

2.1.1 all Intellectual Property Rights in the Work other than the Excluded Rights;

2.1.2 the Registered IPRs; and

2.1.3 the right to sue for damages and other remedies for any infringement of any of the rights assigned pursuant to this clause 2.1 which occurred prior to the date of this assignment.

3. PURCHASE PRICE

3.1 The consideration payable for the Assets by Atmel Corp shall be the Purchase Price.

3.2 The Purchase Price shall be satisfied by Atmel Corp issuing the Promissory Note to QRG within 5 Business Days of final determination of the Market Value in accordance with the provisions of Schedule 1.

4. PROCEEDINGS

QRG agrees and undertakes to provide to Atmel Corp (at its request) all reasonable assistance with any proceedings which may be brought by or against Atmel Corp against or by any third party relating to the rights assigned by this agreement.

5. WARRANTIES

QRG warrants that, save for any outstanding objections or oppositions in respect of pending applications for the Registered IPRs at the date of this agreement, it has full title to the Registered IPRs.

02/02/2009

PAGE 3

6. FURTHER ASSURANCE

QRG shall at the cost and expense of Atmel Corp do or procure to be done all such further acts and things, and execute or procure the execution of all such other documents, as Atmel Corp may from time to time reasonably require in order to give Atmel Corp the full benefit of this agreement, whether in connection with any registration of title or other similar right or otherwise.

7. WAIVER OF MORAL RIGHTS

QRG shall provide to Atmel Corp written absolute waivers from all authors of the Work in relation to all moral rights which subsist in the Work by virtue of Chapter 4 of the Copyright, Designs and Patents Act 1988 and, so far as is legally possible, any broadly equivalent rights such authors may have in any territory of the world.

8. GOVERNING LAW AND JURISDICTION

8.1 This agreement is governed by and shall be construed in accordance with the laws of England and Wales.

8.2 Each party irrevocably agrees to submit to the exclusive jurisdiction of the courts of England over any claim or matter arising under or in connection with this agreement.

AS WITNESS the hands of the parties on the day and the year first stated above.

02/02/2009

PAGE 4

SCHEDULE 1 DETERMINATION OF MARKET VALUE

1. The Purchase Price shall be the open market value of the Assets as at the Completion Date, to be determined in accordance with United States and United Kingdom income tax transfer pricing principles.
2. If the parties cannot agree such open market value (as described above) by 30 September 2009, the matter shall be determined by an Independent accountant (acting as expert) to be appointed by the parties (or, in default of agreement as to who should be appointed, the accountant shall be appointed by the President for the time being of the Institute of Chartered Accountants).

02/02/2009

PAGE 5

SCHEDULE 2 THE WORK

1. All materials created for the purpose of the Business by or on behalf of QRG including but not limited to:
 - 1.1 software (whether in source or object code); know how, trade secrets and/or confidential information;
 - 1.2 specifications for products whether already manufactured or in development;
 - 1.3 marketing materials;
 - 1.4 training manuals;
 - 1.5 websites (including images and text);
 - 1.6 prototypes;
 - 1.7 development kits;
 - 1.8 test equipment; and
 - 1.9 product data sheets.
