PATENT ASSIGNMENT

THIS AGREEMENT is dated as of February 11, 2014.

WHEREAS, Bernardo Group LLC, a Texas corporation, (the "Assignor"), and having a place of business at 5757 Woodway Drive, Houston, Texas 77057 has adopted, acquired, used and is using, in a substantially exclusive and continuous manner in its business, the United States Letters Patent attached in Annex A hereto and made a part hereof (the "Patents"); and

WHEREAS, JPT Group, LLC, a Delaware limited liability company ("Assignee"), whose registered address in the State of Delaware is 2711 Centerville Road, Suite 400, Wilmington, Delaware 19808, is desirous of acquiring all right, title and interest in and to said Patents.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby assign and transfer unto Assignee, its successors, assigns and nominees, as the assignee, without any restrictions, reservations, or limitations:

The entire and exclusive right, title, and interest in and to the grants of said Patents and all reissues and extensions thereof;

And all priority rights derived from said Patents and the applications therefore by virtue of the International Convention for the Protection of Industrial Property for any and all member countries of the aforesaid International Convention;

And the sole right to file applications for patents under the patent laws of any country of the world in its name, and the sole right to have patents granted on said applications in its name to the full end of the term for which said patents may be granted, as fully and entirely as the same would have been held by Assignor, had this assignment not been made, and to enforce said patents with the right to sue for and recover for its own use accrued profits or damages for any and all infringements thereof, including, but not limited to, past infringements with respect to which Assignor hereby waives any right to receive any portion thereof;

And covenants that Assignor has the full right so to do.

Assignor further agrees to execute such further documents as may be reasonably required to record Assignee as the owner of the Patents and registrations and applications herein assigned, solely at the cost of Assignor, and shall not enter into any agreement in conflict with this Assignment..

This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together will constitute one and the same instrument. Counterparts of this Agreement (or applicable signature pages hereof) that are manually signed and delivered by facsimile transmission shall be deemed to constitute signed original counterparts hereof and shall bind the parties signing and delivering in such manner.

[Signature page follows.]

IN WITNESS WHEREOF, Assignor has caused this instrument to be signed by a duly authorized representative as of the date first written above.
