ASSIGNMENT

WHEREAS, we, Michel Kuhm and Emmanuel Ouine, of 36 route de Rothbach, 67340 Ingwiller, Country of France, and of 40 rue des coccinelles 67240 Bischwiller, Country of France, have made new and useful improvements in **FASTENING CLIP**; for which application for Letters Patent of the United States has been filed on May 21, 2014 under Serial No. 14/283,277

WHEREAS, TRW Automotive Electronics & Components GmbH, a corporation duly organized and existing under the laws of the State of Federal Republic of Germany, having a place of business at Industriestrasse 2-8, 78315 Radolfzell, Federal Republic of Germany, is desirous of acquiring the entire right, title and interest in and to the said improvements and all patents therefor to be obtained in the United States of America and countries foreign to the United States;

NOW THEREFORE, BE IT KNOWN that for valuable considerations to us paid, the receipt whereof is hereby acknowledged, we, the said Michel Kuhm and Emmanuel Ouine, do hereby assign, sell and set over unto the said TRW Automotive Electronics & Components GmbH its successors or assigns, the entire right, title and interest in and to the said improvements and any and all inventions pertaining thereto, said application Serial No. 14/283,277, for the United States patent, all patents granted therefor in the United States of America and elsewhere, and the right to apply for patents therefor in all countries foreign to the United States and to claim for such applications the priority of United States applications, and we hereby request the Commissioner of Patents of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents, to issue such patents to the said TRW Automotive Electronics & Components GmbH its successors or assigns; and we further agree to execute such other applications and other instruments and do all other acts as may be deemed necessary by the said TRW Automotive Electronics & Components GmbH its successors or assigns in order to fully secure, protect and preserve its rights to the said improvements and to obtain patents therefor in the United States of America and all countries foreign to the United States, all without further consideration but at the expense of the said TRW Automotive Electronics & Components GmbH its successors or assigns.
