REEL: 033148 FRAME: 0168

ASSIGNMENT

THIS ASSIGNMENT, by Pamela Gail Marrone (hereinafter referred to as the assignor), residing at 3333 Victoria Place, Davis, California 95616, witnesseth:

WHEREAS, said assignor is co-inventor of certain new and useful improvements in METHOD OF USING EMU OIL AS AN INSECT REPELLENT, set forth in an application for Letters Patent of the United States, bearing Serial No. 08/616,708 and filed on March 15, 1996; and

WHEREAS, AgraQuest, Inc., a corporation duly organized under and pursuant to the laws of Delaware and having its principal place of business at 1105 Kennedy Place, Suite 4, Davis, California 95616 (hereinafter referred to as the assignee) is desirous of acquiring, as co-owners, an undivided one-half interest of the entire right, title and interest in and to said inventions and said application for Letters Patent in the United States, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon:

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient considerations, the receipt of which is hereby acknowledged, each of said assignor have sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto each of said assignee, their successors, legal representatives and assigns, an undivided one-half interest in the entire right, title and interest in and to the above-mentioned inventions, application for Letters Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by said assignee, for their own use and the use of their successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignor, had this sale and assignment not been made.

AND for the same consideration, said assignor hereby covenant and agree to and with said assignee their successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said assignor are the sole and lawful owners of an undivided one-half interest in the entire right, title and interest in and to said inventions and the application for Letters Patent above-mentioned, and that the same are unencumbered and that said assignor have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, said assignor hereby covenant and agree to and with said assignee, their successors, legal representatives and assigns, that said assignor will, whenever counsel of said assignee, or the counsel of their successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said application for Letters Patent, or any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said inventions, without charge to said assignee, their successors, legal representatives and assigns, but at the cost and expense of said assignee, their successors, legal representatives and assigns.

AND said assignor hereby request the Commissioner of Patents to issue said Letters Patent of the United States to said assignee as the assignee of said inventions and the Letters Patent to be issued thereon for the sole use of said assignee, their successors, legal representatives and assigns.
