ASSIGNMENT OF INVENTION

For U.S. and Foreign Rights

FOR VALUE RECEIVED, We,

Name: Gregg E. Favalora
Residence: Bedford, MA
Citizenship: US

Name: Dexter Barnes
Residence: Cambridge, MA
Citizenship: US

(hereinafter collectively referred to as "Assignors"), hereby sell, assign, and transfer unto:

Rufus Butler Seder (an Individual)
39 Emerson Road, No. 124C
Waltham, MA 02451

(hereinafter "Assignee"), and unto Assignee's successors, assigns and legal representatives, Assignors' entire right, title, and interest, for all countries in and to the invention and any and all improvements relating to the invention entitled:

Rotatable Animation Devices with Staggered Illumination Sources
(O'Connell Law Office File Reference: SER-114PR2)

that was invented by Assignors together with Assignee and is described in United States Provisional Patent Application No. 61/663,695, filed on June 25, 2012, and in United States Utility Patent Application No. 13/927, 106, filed 06/25/2013¹ and in any legal equivalent thereof in any foreign country, including the right to claim priority and in and to all Letters Patent to be obtained for the invention by any of the above applications or any continuation, continuation-in-part, division, renewal, or substitute thereof, and as to all Letters Patent deriving from any reissue or re-examination thereof.

Assignors agree that, when requested, they will, without charge to Assignee, sign all papers, take all rightful oaths, and do all acts that may be necessary, desirable or convenient for securing and maintaining patents for the invention in any and all countries

¹ Assignors authorize the O'Connell Law Office to insert the Application Number and Filing Date of the regular Utility Patent Application when available.

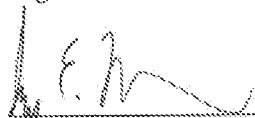

and for vesting proportional title thereto in Assignee, its successors, assigns, and legal representatives or nominees.

Assignors authorize and empower Assignee, Assignee's successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for the invention filed by Assignee, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from Assignors.

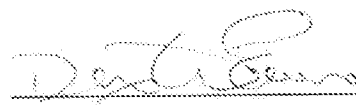

Assignors hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document that may be required in any country for any purpose and more particularly in proof of the right of the Assignee or Assignee's nominees to claim the aforesaid benefit of the right of priority provided the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

Assignors covenant with Assignee, Assignee's successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that Assignors have full right to convey the same as herein expressed.

Signed this 15 day of APRIL, 2013.
