UPON SAID CONSIDERATION, the Assignor hereby covenants and agrees with the said Assignee that it will not execute any writing or do any act whatsoever conflicting with these presents, and that it will, at any time upon request, without further or additional consideration, but at the expense of the said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, continuations, continuations-in-part, continuing prosecutions, divisionals, renewals, reissues, reexamined or extended patents, design registrations, or other intellectual property registrations for any and all countries and regions, on said Design and IP Rights, and execute confirmatory assignments or acknowledgments of this assignment as necessary for full enjoyment of the Design and IP Rights and for recording in any patent or other office, and in enforcing any rights or choses in action accruing as a result of such Design and IP Rights, by giving testimony in any proceedings or transactions involving such
