GLOBAL ASSIGNMENT

This Assignment is made by **Sandra Ellen Funk** of Surrey, British Columbia, CANADA (hereinafter, the "Executrix"), to **Sandra Ellen Funk** of Surrey British Columbia, CANADA (hereinafter, the "Assignee").

WHEREAS, Executrix is the executrix of the Last Will and Testament of Anthony Isaac Funk (hereinafter, the "Deceased");

WHEREAS, Deceased is the co-owner of the following patents and patent applications:

CANADA	
TITLE	Number
Rain Shielded Box for Exiting Through Siding	Patent No. 2638245
Over Air Barrier Electrical Box	Application No. 2720557
United States	
TITLE	Number
Rain Shielded Box for Exiting Through Siding	Patent No. 7875798
Over Air Barrier Electrical Box	Application No. 12945695

(hereinafter, collectively the "Patents");

AND WHEREAS, Assignee desires to acquire by formal, recordable assignment the Deceased's entire worldwide right, title and interest in and to said Patents, and any utility patent, design patent, industrial design, design right, utility model or petty patent that may be granted for said Patents in Canada, the United States or anywhere else throughout the world;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Executrix hereby sells, assigns and transfers to Assignee, the Deceased's entire worldwide right, title and interest in and to said Patents and any utility patent, design patent, industrial design, design right, utility model or petty patent that may be granted for said Patents in Canada and the United States or anywhere else throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Executrix represents and warrants that she has not granted and will not grant to any other any rights inconsistent with the rights granted herein.

Executrix authorizes and requests the Commissioner of Patents of Canada, Director of Patents of the United States and of all foreign countries to issue any utility patent, design patent, industrial design, design right, utility model or petty patent granted for said Patents, whether on said applications or on any subsequently filed division, continuation, continuation-in-part or reissue applications, to Assignee, her successors and assigns, as the assignee of the Deceased's entire interest in said Patents.

This Assignment constitutes the entire assignment of the Deceased's entire worldwide right, title and interest in and to said Patents and any utility patent, design patent, industrial design, design right, utility model or petty patent that may be granted for said

Patents in Canada, the United States or anywhere else throughout the world, and supercedes all previous oral and written communications and understandings.
