ASSIGNMENT

THIS ASSIGNMENT, by

Elvis Moreland, residing at 12730 Tulip Court, #1, Sonora, CA, 95370

A United States citizen, (hereinafter referred to as Assignor) witnesseth:

Assignor has invented certain new and useful improvements in a

TIDE OPERATED ENERGY SYSTEM

set forth in Letters Patent of the United States issued on September 25, 2012, bearing U.S. Patent No. 8,272,211 B2.

Janet Cahill, residing at 2373 Yesler Court, San Jose, CA 95131 is desirous of acquiring the entire right, title, and interest in and to the invention and the application for Letters Patent of the United States, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefore.

In consideration of one dollar and other good and sufficient considerations, Assignor hereby assigns to Janet Cahill, her successors and assigns, any right, title, and interest Assignor may have in the above identified invention. The assignment includes, by way of illustration and not limitation, any and all rights under the above identified application for Letters Patent, any Letters Patent or Patents in the United States of America or any foreign country which may be granted therefore, and any and all divisions, continuations, and continuations-in-part of the application, or reissues or extensions of the Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property.

Assignor assures Janet Cahill that Assignor has not granted rights in the Invention to any other person or entity and that there is no lien or other encumbrance on the rights to the invention. Assignor further assures Janet Cahill that Assignor has good and full right and lawful authority to assign the above-identified rights.

Assignor agrees to cooperate with Janet Cahill to secure and protect Janet Cahill's interest and ownership in the invention. Such cooperation includes, by way of illustration and not limitation, providing all pertinent facts and documents relating to the invention as may be known to Assignor, testifying in any interference, litigation or proceeding related to the invention and promptly executing and delivering to Janet Cahill or her legal representatives any papers required to apply for, obtain, maintain, issue and enforce the above identified rights. Provided, however, that if any expenses are incurred by Assignor in providing such cooperation, such expenses shall be paid by Janet Cahill.

Assignor hereby requests the Commissioner of Patents to issue said Letters Patent of the United States to AIM as the assignee of the inventions and the Letters Patent to be issued therefore.

IN TESTIMONY WHEREOF, I hereunto set my hand this 23rd day of August, ~~2012~~ 2013

Elvis Moreland
