## ASSIGNMENT

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, ZhenWu Lin, an individual residing at 321 Arlington Drive, Pasadena, California 91105, the undersigned Assignor, hereby:

Sells, assigns and transfers to ZenPure Corporation, a Nevada corporation with an address of P.O. Box 5401, Henderson, Nevada 89016, its successors, assigns and legal representatives, all hereinafter referred to as the Assignee, the entire right, title and interest for the United States of America and for all foreign countries in certain inventions and/or improvements thereof for a Flanged Tube Apparatus disclosed and described in U.S. Regular Utility Application Serial No. 14/138,091 filed December 22, 2013, in the United States Patent & Trademark Office, and in all Letters Patent of the United States and all foreign countries which may or shall be granted on the inventions, or any parts thereof, or on the application, or any subsequently filed applications disclosing the inventions and/or improvements, including, but not limited to, any regular utility, divisional, continuing, reissue or other domestic, international and/or foreign applications based in whole or in part thereon.

Assignor agrees when requested, without charge, but at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment by executing all rightful oaths, assignments, powers of attorney and other papers, by communicating to the Assignee all facts known to Assignor relating to the identified inventions and patent applications and the history thereof, and generally by doing everything possible which the Assignee shall consider desirable for aiding in maintaining proper patent protection for the inventions through the patent applications and any subsequent U.S. and/or foreign counterpart applications and patents issuing or derived therefrom and for vesting title to the patent applications and any subsequent U.S. and/or foreign counterpart applications and patents issuing or derived therefrom in said Assignee.

Assignor also covenants with said Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by Assignor, and that full right to convey the same as herein expressed is possessed by Assignor.
