Do hereby sell, assign and transfer to:

FBC Device ApS, Viengevej 100, Rissikø, DK-8240, Denmark

(insert full name(s) and post office addresses of assignee)

(hereinafter, "Assignee"), its successors, assigns, and legal representatives, the
full and exclusive right to said invention and said application and to any and all
inventions described in said application for the United States, its territorial
possessions and all foreign countries, and the entire right, title and interest in and
to any and all Letters Patent which may be granted therefor in the United States,
its territorial possessions and all foreign countries; and in and to any and all
continuations-in-part, continuations, divisions, substitutes, reissues, extensions
thereof, and all other applications for Letters Patent relating thereto which have
been or shall be filed in the United States, its territorial possessions and/or any
foreign countries, and all rights, together with all priority rights, under any of the
international conventions, unions, agreements, acts, and treaties, including all
future conventions, unions, agreements, acts, and treaties;

I authorize Assignee to apply for and receive Letters Patent for such protection in
its own name, in the United States, its territorial possessions, and all foreign
countries; and that, when requested to carry out in good faith the intent and
purpose of this assignment, at the expense of said Assignee, but without charge to
Assignee, its successors, assigns and legal representatives, the undersigned will
execute all continuations-in-part, continuations, divisions, substitutes, reissues,
and extensions thereof, execute all rightful oaths, assignments, powers of attorney

and other papers, testify in any legal or quasi legal proceedings; communicate to said Assignee, its successors, assigns, and legal representatives all facts known to the undersigned relating to said invention and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said invention and for vesting title to said invention and all applications for patents on said invention in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

IN TESTIMONY WHEREOF, I have hereunto set my signature below.
