## ASSIGNMENT

This Assignment is made and entered into by and between Robert R. Bly, residing at 20681 West Road, Wellington, Ohio 44090; Kevin S. Wysocki, residing at 1001 Washington Drive, Grafton, Ohio 44044 and Michael A. Gregory, residing at 114 Winchester Road, Fairlawn, Ohio 44333 (collectively hereinafter "INVENTORS"), and INVACARE CORP., an Ohio corporation, with its office at One Invacare Way, Elyria, OH 44036-2125 (hereinafter referred to as "INVACARE").

**Whereas** INVENTOR has invented certain inventions described in a United States patent application serial no. 60/980,476, filed October 17, 2007 and titled "Latching Motion Transer Mechanism";

**Whereas**, INVACARE desires to acquire the entire right, title and interest in said application and inventions, and to any United States and foreign patents to be obtained therefor; and

**Now, therefore**, for good and valuable consideration, receipt of which is hereby acknowledged:

1. INVENTORS hereby sells, assigns, and transfers to INVACARE, its successors and assigns, the entire right, title and interest, so far as concerns the United States and the Territories and Possessions thereof and all foreign countries, in and to the inventions set forth in the application for United States Letters Patent on the above-indicated date, said application for United States Letters Patent, any and all other applications for Letters Patent on said inventions in the United States and in countries foreign to the United States, including all provisional, utility, divisional, renewal, extension, reexamination, substitute, continuation, continuation-in-part, reissue, and Convention applications based in whole or in part upon said inventions or upon said applications, and any and all Letters Patent and reissues and extension of Letters Patent granted for said inventions or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said applications and said Letters Patent.

2. INVACARE is hereby authorized to file patent applications in any or all countries on any or all said inventions in the name of the INVENTORS or in the name of INVACARE or otherwise as INVACARE may deem advisable, under the International Convention or otherwise.

3. The Commissioner of Patents of the United States of America and the empowered officials of all other governments are hereby authorized to issue or transfer all said Letters Patent to INVACARE in accordance herewith.

4. This Assignment is being made under covenant, not only that full power to make the same is had by the INVENTORS, but also that, at the time of execution of this Assignment, such assigned right is not encumbered by any grant, license, governmental restriction, or other right heretofore given.

5. The INVENTORS agrees that he will do all acts reasonably serving to assure that said inventions, patent applications and Letters Patent shall be held and enjoyed by INVACARE as fully and entirely as the same could have been held and enjoyed by the INVENTORS if this Assignment had not been made, and particularly to execute and deliver to INVACARE all lawful documents including petitions, specifications, oaths, assignments, invention disclaimers, lawful affidavits, and declarations in form and in substance which may be requested by INVACARE, to furnish INVACARE with all facts relating to said inventions or the history thereof and any and all documents, photographs, models, samples or other physical exhibits which may be useful for establishing the facts of conception, disclosure and reduction to practice of said inventions, and to testify in any proceedings relating to said inventions, patent applications and Letters Patent.

6. INVENTORS agrees that this Assignment shall be construed in accordance with the laws and courts of Ohio. INVENTORS hereby also agrees to submit to the jurisdiction of any Ohio court.
