**PATENT ASSIGNMENT**

**WHEREAS, the undersigned named inventor:**

has invented certain new and useful improvements in a:

**Method and system for handling sensitive data in a content delivery network**

for which U.S. Serial No. 12/960,840 was filed December 6, 2010; and

**WHEREAS, Akamai Technologies, Inc.**, a corporation organized and existing under the laws of Delaware having its principal place of business at 8 Cambridge Center, Cambridge, Massachusetts 02142 (hereinafter referred to as "Assignee"), is desirous of acquiring the entire interest in, to and under the invention and the United States Letters Patent to be obtained for the invention:

**NOW, THEREFORE:**

Be it known that in consideration of the payment by Assignee to me of good and valuable consideration, the receipt of which is hereby acknowledged, I, the above named, hereby sell, assign and transfer to Assignee my full and exclusive right, title and interest to said invention and all Letters Patent of the United States to be obtained therefor on said patent or any patent applications, continuations, divisions, renewals, reexaminations, substitutes or reissues thereof for the full term or terms for which the same may be granted.

I further assign to Assignee all of my right, title and interest in and to said invention in all foreign countries, and all applications for Letters Patent that may evolve therefrom, including the right to claim International Convention priority.

I further covenant that Assignee will, upon its request, be provided promptly with all pertinent facts and documents relating to said application, said invention and said Letters Patent as may be known and accessible to me and I will testify as to the same in any interference or litigation related thereto and will promptly execute and deliver to Assignee or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain and enforce said applications, said invention and said Letters Patent that may be necessary or desirable to carry out the purposes hereof.

This Assignment is effective as of August 17, 2010.
