ASSIGNMENT OF PART INTEREST IN U.S. PATENT NO. 8,266,945

WHEREAS, Filtra-Systems Company, a Michigan corporation ("Filtra-Systems") owns Patent No. 8,266,945 by an Assignment from the sole named inventor, Byrn Hartshorne, dated March 26, 2010, and recorded in the USPTO on March 29, 2010; and

WHEREAS, Filtra-Systems intends to enter into an Agreement with Hybrid Air Filtration LLC, a Michigan limited liability company ("Hybrid Air"), under the terms of which an undivided one-half interest in U.S. Patent No. 8,266,945 is to be assigned to Hybrid Air.

NOW, THEREFORE, in consideration of such Agreement, Filtra-Systems does hereby assign an undivided one-half part of the whole right, title and interest in and to the aforesaid Letters Patent to Hybrid Air, for its own use and enjoyment, and its legal representatives, to the full end of the term for which said Letters Patent are granted, as fully and entirely as the same would have been held by Filtra-Systems had this assignment not been made. Filtra-Systems does hereby retain for its own use and enjoyment, and its legal representatives, the unassigned one-half part to the full end of the term for which said Letters Patent are granted.
