TECHNOLOGY PURCHASE AGREEMENT

This Technology Purchase Agreement (this "Agreement") is made effective as of December 31, 2011, by and between Garmin Switzerland GmbH ("Buyer") and Tri-Tronics, Inc. ("Seller").

WHEREAS, Seller wishes to transfer and assign the Purchased Intellectual Property (as defined below) to Buyer; and

WHEREAS, Buyer desires to acquire the Purchased Intellectual Property from Seller.

NOW, THEREFORE, in consideration of the premises and the mutual covenants herein contained, Seller and Buyer hereby agree as follows:

1. <u>Definitions</u>: For the purpose of this Agreement, the following terms have the meanings specified in this <u>Section 1</u>:

"Encumbrance" means any charge, claim, covenant, equitable interest, lease or other possessory interest, license, lien, option, pledge, security interest, preference, priority, right of first refusal, or similar restriction that interferes with the Buyer's rights to make, use, offer for sale, and sell products incorporating the Purchased Intellectual Property.

"Patent(s)" means all patents and patent applications set forth on Exhibit 1.

"Purchased Intellectual Property" means all rights and interest in and to, including the right to legally protect and enforce protection, and the right to prevent unauthorized disclosure, in the Patents, Trademarks ("the Technology"), including, without limitation, all commercial applications, inventions, discoveries, trade secrets, processes, formulae, know-how, trade names, trademarks and claims as they relate to the Technology for use in perpetuity, including specifically the rights to manufacture, use, and sell products incorporating the Technology.

"Purchase Price" means the sum of

"Trademarks" means all trademarks and trademark applications set forth on Exhibit 2.

- 2. <u>Payment: Transfer of Rights.</u> In consideration of payment of the Purchase Price by Buyer to Seller in readily available funds, Seller hereby transfers and assigns to Buyer, and Buyer hereby accepts, the Purchased Intellectual Property.
 - 2.1 Soller agrees to execute and deliver to Buyer specific assignments and all other papers and documents that are necessary or advisable to transfer the Purchased Intellectual Property to Buyer.
 - 2.2 Seller agrees to send Buyer any communications received from its legal representatives or from a national patent office concerning any actions

before the national patent office involving any of the Purchased Intellectual Property within two (2) business days after receipt of such communications.

2.3 Buyer will not assume any liabilities of Seller under this Agreement.

3. Soller's Warranties and Representations

- 3.1 Seller warrants that it is the owner or licensee of all right, title and interest in and to the Purchased Intellectual Property, free and clear of all Encumbrances.
- 3.2 Seller represents that the rights of Seller in the Purchased Intellectual Property do not conflict with rights held by any third party. Seller warrants that no third party has asserted or threatened to assert any ownership interest in those rights.
- 3.3 Seller represents that all of the Purchased Intellectual Property is in compliance with formal legal requirements (including payment of filing, examination, and maintenance fees), is not subject to any maintenance fees or taxes or actions falling due within 90 days after the effective date of this Agreement, and that all of the issued Patents that are in force are valid and enforceable.
- 3.4 Seller represents and warrants that the rights to the Purchased Intellectual Property transferred hereunder are exclusive and Seller will not grant any rights to other parties hereafter that are inconsistent with or which conflict with the rights of Buyer hereunder.
- 4. <u>Assignment.</u> The rights and obligations of Buyer are freely assignable. This Agreement will inure to the benefit of and be binding upon each party's successors and assigns.
- 5. <u>Taxes.</u> Buyer will be responsible and will pay all taxes associated with the transfer other than taxes imposed on the income of Seller.
- 6. <u>Notices.</u> All notices, consents, waivers, and other communications under this Agreement must be in writing and will be deemed given to a party when (a) delivered in person; or (b) received or rejected by the addressee, if sent by certified mail (postage and certification prepaid), return receipt requested.
- 7. No Joint Venture. Nothing in this Agreement should be construed to place the parties in the relationship of partners or joint venturers, and the parties have no power to obligate or bind the other in any manner whatsoever.
- 8. <u>Waiver and Modifications</u>. No waiver, modification, or cancellation of any term or condition of this Agreement will be effective unless executed in writing by the parties. No written waiver will excuse the performance of any act other than those specifically referred to therein and will not be deemed or construed to be a waiver of such terms or conditions for the future or any subsequent breach thereof.

- 9. <u>Infringement.</u> In the event that any infringement of the Purchased Intellectual Property comes to the attention of either party, such party will promptly notify the other party of the infringement. Buyer will have the right to prosecute any infringement suit relating to the Purchased Intellectual Property.
- Governing Law. This agreement will be construed in accordance with the laws of Switzerland.
- 11. Entire Agreement. This Agreement represents the entire understanding and agreement between the parties hereto concerning the subject matter hereof, and may not be changed or modified without the further written agreement of the parties.
- 12. <u>Invalid or Unenforceable Provisions</u>. If any provision of this Agreement is determined to be invalid or unenforceable, the provision will be deemed to be severable from the remainder of this Agreement and will not cause the invalidity or unenforceability of the remainder of this Agreement.
