UNIVERSALLY-MOUNTED PIVOTAL MIRRORU.S. PATENT NO.: 8,752,975 ISSUE DATE: June 17, 2014**WITNESSETH**

WHEREAS, the Assignor is the owner of the above identified Letters Patent of the United States and the Assignee is desirous of acquiring the same. In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor hereby assigns to the Assignee, including its successors, assigns, heirs, administrators, all of the Assignor's right, title and interest in and to the Patent therefore identified herein.

NOW, THEREFORE, Assignor, intending to be legally bound, hereby sells, assigns, transfers and delivers unto Assignee, its successors, legal representatives and assigns, all rights, title and interest in, to and under the Patent, including all other rights associated with the Patent, including, without limitation, the right to sue for and collect damages for any past infringement of the Patent, including, but not limited to, all divisionals, continuations, continuations-in-part, substitutes, reexaminations, reissues and all other applications for patent which have been or shall be filed in the United States on the inventions disclosed in the Patent; all original, reissued and

reexamined patents and extensions thereof which have been or shall be issued in the United States on the invention to the full end of the term or terms for which the Patent may be granted, as fully and entirely as the same would have been held by the undersigned Assignor had this Agreement not been made; and specifically including all rights of priority created by the Patents under any treaty, convention or law relating thereto.

Assignor agrees, when requested, to carry out in good faith the intent and purpose of this Agreement, to execute and deliver to Assignee, all divisionals, continuations, continuations-in-part, substitutes, reexaminations, reissues, and all other patent applications on the inventions; all lawful oaths, declarations, assignments, powers of attorney and other papers; communicate to Assignee all facts known to Assignor relating to the invention and the history thereof; and generally do everything possible which Assignee shall consider desirable for vesting title to the invention in Assignee, and for securing, maintaining and enforcing proper patent protection for the inventions; all without further compensation to Assignor;

The Assignor agrees to execute any papers or perform any acts required to establish, vest or protect the Assignee's rights therein or required by Assignee to obtain said patent, without any additional payment therefor, but without any expense to Assignor.
