ASSIGNMENT

This Assignment is entered into by and between Stingray Systems, LLC and Magarl LLC.

WHEREAS, Stingray Systems, LLC, hereinafter referred to as Assignor, an Indiana limited liability company having a principal place of business at 5701 Elmwood Avenue, Suite B, Indianapolis, IN 46203, may be the owner of the United States Patent Application Serial No. 13/841,056, filed March 15, 2013 titled EMERGENCY WASH SYSTEM ("PATENT PROPERTY"); and

WHEREAS, Magarl, LLC, hereinafter referred to as Assignee, a Nevada limited liability company, having a principal place of business at 2455 Tarpon Road, Naples, FL 34104 hereinafter referred to as Assignee, desires to acquire and has acquired all of the entire right, title, and interest in, to and under said PATENT PROPERTY;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of good, valuable and sufficient consideration to Assignor in hand paid, the receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred, agrees to sell, assign and transfer, and by these presents does sell, assign and transfer unto Assignee, all of the entire right, title, and interest, including the beneficial interest, in, to and under, including all rights to file, all rights of priority and all causes of action related to, said PATENT PROPERTY, and any and all other applications thereon and arising therefrom, including any and all applications claiming the benefit thereof, and any and all divisions and continuations and continuations-in-part thereof, and any and all patents to be issued and obtained therefor and thereon, United States and foreign, including all reissues and extensions thereof, and any and all improvements to said Invention conceived by Assignor, alone or with others, while working for, or under contract to, Assignee, whether or not such improvements are included in any Letters Patent or applications for Letters Patents.

Assignor acknowledges that said PATENT PROPERTY, including any improvements thereto, are the property of Assignee and any information related thereto, is to be maintained in confidence and is not to be disclosed by Assignor to any third party without the express written consent of Assignee.

Assignor agrees to assign and execute any and all other papers necessary or desirable for the procurement of Letters Patent on said Invention in this and all foreign countries for the use of Assignee, said agreement surviving Assignors' employment by, or contract with, Assignee.

To the extent not granted, assigned, sold or transferred to the Assignee by the above and for the good and valuable consideration acknowledged above, the Assignor agrees to and does hereby grant, assign, sell and transfer unto the Assignee any and all future developments, including improvements, in invention immediately and automatically upon existence.

WITNESS Assignor's hand this 30th day of June, 2014.
