## RECORDABLE PATENT ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, Journyx, Inc., a Delaware Corporation, having an address of 7600 Burnet Road, Suite 300, Austin, TX 78757 ("Assignor"), does hereby sell, assign, transfer, and convey unto Texas Technology Ventures 2, LLP (TTV), a Texas Limited Liability Partnership, having offices at 8215 Big View Drive, Austin, TX, 78730 ("Assignee"), or its designees, all its right, title, and interest in and to any and all of the following (collectively, the "Patent Rights"):

- (a) the patent applications and patents listed in the table below (the "Patents");
- (b) all patents issuing from such applications;
- (c) patents or patent applications (i) for which any of the Patents directly or indirectly forms a basis for priority, and/or (ii) that are co-pending applications directly or indirectly incorporated by reference by the Patents;
- (d) all continuations, counterparts, foreign equivalents, divisional and continuation-in-part applications, substitutions, reissues, extensions, renewals, requests for continuing examination, and reexaminations of any of the foregoing patents and patent applications;
- (e) all related patent filing and prosecution documents; and all legal rights, title, or interest in the Patent Rights, arising under the laws of the United States (including any state or jurisdiction therein), and any other country or jurisdiction in the world or international treaty regime, whether or not filed, perfected, registered or recorded and whether now or later existing, filed, issued or acquired, including without limitation all renewals and certificates of invention, utility models, industrial design protection, design patent protection, and other governmental grants or issuances; and
- (f) any and all claims, demands, causes of action and other enforcement rights for damages, injunctive relief, and any other remedies of any kind for infringement of any of the Patent Rights by a third party past, present and future, whether known or unknown, or whether currently pending, filed or otherwise, and all of the proceeds from the foregoing, that are accrued and unpaid or that are hereafter accruing;
- (g) inventions, invention disclosures, and discoveries specifically disclosed in any of the Patents;
- (h) rights to apply in any or all countries of the world for patents, certificates of invention, utility models, industrial design protections, design patent protections, or other governmental grants or issuances of any type related to any of the Patents and the inventions, invention disclosures, and discoveries specifically disclosed therein; and
- (i) rights to collect royalties or other payments under or on account of any of the Patents and/or any of the foregoing categories (b) through (h).
