## PATENT ASSIGNMENT

This **PATENT ASSIGNMENT** ("Patent Assignment") is made and entered into between DEPUY PRODUCTS, INC., an Indiana corporation ("Assignor"), and BIOMET C.V., a partnership established under the laws of the Netherlands and established at 57/63 Line Wall Road, Gibraltar, Gibraltar ("Assignee").

### RECITALS

**WHEREAS**, pursuant to, and upon the terms of, that certain Asset Purchase Agreement, dated as of April 2, 2012, between DePuy Orthopaedics, Inc., an Indiana corporation ("Seller"), and Biomet, Inc., an Indiana corporation ("Buyer"), as amended by Amendment No. 1 dated as of June 1, 2012, between Seller and Buyer (as amended, the "Asset Purchase Agreement"), Seller has agreed to sell, convey, assign and transfer to Buyer, and Buyer has agreed to accept, Seller's right, title and interest in, to and under certain patents and patent applications, utility models, and industrial designs, and all applications and registrations therefor, as set forth on Schedule A, which Schedule A is attached hereto and hereby made a part hereof, together with all provisionals and non-provisionals, reissuances, continuations, continuations-in-part, divisions, renewals, revisions, extensions and reexaminations with respect thereto, and any other applications and patents sharing a claim of priority therewith and all inventions disclosed therein (hereafter collectively referred to as "Patents").

**WHEREAS**, Assignor (as an Affiliate of Seller) desires to transfer and assign to Assignee, and Assignee (as an Affiliate of Buyer) desires to accept the transfer and assignment of all of Assignor's right, title and interest in, to and under such Patents.

**NOW, THEREFORE**, Assignor, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, does hereby sell, convey, transfer and assign to Assignee, and Assignee hereby accepts the sale, conveyance, transfer and assignment of all of Assignor's right, title and interest throughout the world in, to and under the Patents, together with (i) the right to claim priority based on the filing dates of any of the Patents in accordance with international treaties and conventions, (ii) any and all rights corresponding to said Patents, (iii) the right to all income, royalties, damages and payments now or hereafter due or payable with respect to the Patents and (iv) the right to prosecute, maintain and defend the Patents before any public or private agency, office or registrar and (v) all of Assignor's rights to sue for past, present or future infringement of said Patents together with all claims for damages by reason of past, present or future infringement of said Patents, and the right to sue for and collect the same for Assignee's own use and enjoyment; all to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor had this Patent Assignment not been made. The assignments contemplated herein are meant to be absolute assignments and not by way of security. Assignor agrees to execute and deliver such other documents and to take all such other actions which the Assignee, its successors and assigns may reasonably request to effect the terms of this Patent Assignment.

Assignor hereby authorizes the Commissioner of Patents and Trademarks in the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries or multinational authorities, to record Assignee as the assignee of all of Assignor's right, title and interest in, to and under the Patents and to deliver to Assignee, and to Assignee's attorneys, agents, successors or assigns, all official documents and communications.

IN WITNESS WHEREOF, Assignor and Assignee have caused their respective duly authorized officers to execute this Patent Assignment effective as of the closing date of the Asset Purchase Agreement.

ASSIGNOR:

By: *Victor C. Moreno*  
Victor C. Moreno  
Assistant Secretary

Date: June 12, 2012

United States of America )  
State of OHIO ) ss.:  
County of HAMILTON )

On this 12<sup>th</sup> day of June, 2012, before me personally came VICTOR C. MORENO, to me known to be the individual described in and who executed the foregoing instrument, and acknowledged execution of the same.

*Kara N. Tulanko*  
Notary Public

KARA N. TULANKO
