### ASSIGNMENT

Whereas, Kelly Wojdyla-Gray, residing at Sterling Heights, MI  
(hereinafter referred to as Assignor) have invented certain new and  
useful improvements in Mobile Experience Trailer (design)

For which an application for United States Letters Patent was:

X executed on even date herewith.  
\_\_\_\_\_ filed on \_\_\_\_\_ as Application Serial No. 29/426, 393

Whereas, Bio Clinical Development, Inc., a corporation of the State of  
Michigan, having a place of business at 38955 Hills Tech Drive, Farmington Hills, MI  
48331, (hereinafter referred to as Assignee) is desirous of acquiring the entire right,  
title, and interest, in and to said invention and in and to any letters Patent that may be granted  
therefor in the United States and in any and all foreign countries.

Now, therefore, in consideration of the sum of One Dollar (\$1.00), the receipt of which is  
hereby acknowledged, and for other good and valuable consideration, Assignor hereby sells,  
assigns, and transfers unto Assignee the full and exclusive right, title, and interest in and to said  
invention in the United States and in all foreign countries and in and to all divisions, reissues,  
continuations, continuations-in-part, substitutions, renewals, reexaminations, and extensions  
thereof including the full right to claim for any such application the benefits of the International  
Convention.

Assignor hereby authorizes and request the patent office officials in the United States  
and in all foreign countries to issue all of said Letters Patents, when granted, to Assignee as the  
owner of the entire right, title, and interest in and to the same, for the sole use and behoof of  
Assignee, its successors, assigns, or other legal representatives.

Further, Assignor agrees to communicate to Assignee or its representative any facts  
known to Assignor respecting said invention, and to testify in any legal proceeding, to sign all  
lawful papers, to execute all divisional, continuation, continuation-in-part, substitution, renewal,  
reexamination, and reissue applications, to execute all necessary assignment papers to cause  
off of said Letters Patents to be issued to Assignee, to make all rightful oaths and generally do  
everything possible to aid Assignee, its successors, assigns, or other legal representatives, to  
obtain and enforce proper protection for said invention in the United States and in all foreign  
countries.

In testimony whereof, I have hereunto set my hand on the date appearing next to my  
signature:
