ASSIGNMENT

Whereas, I, Terence Sean Sullivan, a citizen of the United States of America, having a mailing address at: P.O. Box 425475, Cambridge, MA 02142, having made an invention in NETWORK AUDIO DISTRIBUTION SYSTEM AND METHOD identified by docket number NET-006-CON and having filed a US Letters Patent Application therefore in the United States Patent and Trademark Office on March 8, 2013, which has been assigned application Serial Number 13/789,960;

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, I have agreed to assign and transfer and do hereby assign and transfer unto RangeCast Technologies, L.L.C., a Nevada limited liability company, having its principal office at P.O. Box 151115, Ely, NV 89315, its successors and assigns, the entire right, title and interest in and to the said invention and application, and in and to any division, continuation or continuation-in-part, of said application, and in and to any and all Letters Patent and reissues and extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted on any of the foregoing to be held and enjoyed as fully and exclusively as they would have been by me had this assignment and transfer not been made;

I do further agree for myself and for my heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such other acts as I lawfully may, that may be deemed necessary by said RangeCast Technologies, L.L.C., its successors, assigns, and nominees, fully to secure its interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

And I do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of the said applications, to said RangeCast Technologies, L.L.C., as the assignee of the entire interest therein.

ASSIGNMENT

In witness whereof, I have hereunto signed my name on the date and year set forth below.
