ASSIGNMENT OF INVENTION

Title of Invention: Multi-function Smart Communication Card

Inventor(s): William Toth, Stanley Fong, Todd Lutton, Uday Shenvi, Ghanshyam Dave, & Matthew Lazzaro

Application Serial Number: 14330051

Filing Date: July 14, 2014

I, the undersigned inventor, in consideration of the rights of Booz Allen Hamilton acquired by virtue of the circumstances under which the above-entitled invention was made, hereby:

1. Assign to the Booz Allen Hamilton the entire right, title and interest throughout the United States, its Territories, Possessions, and Puerto Rico, in and to the above-entitled invention and application for patent and all Letter Patents issuing thereon, and any continuation, continuation-in-part or division of said application and any reissue or extension of said Letters Patent.
2. Agree to assign to Booz Allen Hamilton upon request, title, and interest in the invention in those foreign countries in which Booz Allen Hamilton, within eight months of the filing of the United States application for patent, determines to cause an application to be filed in any particular foreign country or fails to make such a determination, within the said eight months, all my right, title and interest in the invention in such foreign country shall remain in me, subject to a nonexclusive, irrevocable, royalty-free license to Booz Allen Hamilton in any patent which may issue on the invention in such foreign country, including the power to issue sublicenses for use in behalf of Booz Allen Hamilton.
3. Agree to provide any further invention within my knowledge to execute any further documents necessary to the prosecution of patent applications on the invention, the prosecution and settlement of interferences and recording of title to patent applications and patents issuing thereon.
4. Authorize any Booz Allen Hamilton or any assignee from Booz Allen Hamilton attorney or agent to insert the filing date and application serial number of the application in the fields above when known.
