ASSIGNMENT

In consideration of the sum of one dollar and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, we, the undersigned, whose names and full post addresses are set out below:

Timo Tapani Toivola Vanha Littoistentie 57, FI-20540 TURKU, Finland

Juhani Waldemar Kari Koskelokuja 4, FI-21420 LIETO, Finland

do hereby sell, assign and transfer unto **Nokia Corporation**, hereinafter called the Assignee, whose full post office address is **Keilalahdentie 4, FI-02150 Espoo, Finland**, and to the Assignee's successors, assigns, nominees or other legal representatives, our entire right, title, interest, property and benefit for Canada, the United States of America and all other countries, in and to our invention relating to

Method and circuitry for battery protection

as fully set forth and described in attached patent application, which application claims priority from _____,

as fully set forth and described in an international patent application PCT/FI2012/050136 filed on 14 February 2012,

together with our entire right, title, interest, property and benefit for Canada, the United States of America and all other countries, in and to the aforementioned application, any foreign applications corresponding thereto and any Letters Patent which may issue for the invention from such applications, including all divisions, continuations, continuations-in-part, re-examinations, reissues and extensions, and any rights of priority resulting from the filing of the above-identified application under international conventions, treaties or otherwise, the same to be held and enjoyed as fully and exclusively as they would have been by us had this sale, assignment and transfer not been made;

We hereby authorize any official whose duty it is to grant patents, to grant any Letters Patent for the invention to the Assignee, and to its successors, assigns, nominees or other legal representatives;

We hereby covenant and agree, for ourselves and for our heirs, executors and administrators, to do all such things and to execute and deliver without further consideration such further assurances, applications, instruments, assignments and other documents as may reasonably be required by the Assignee to obtain Letters Patent in Canada, the United States of America and all other countries, for the invention, and vest or secure the same in the Assignee;

In witness whereof, we have hereunto signed our names on the day and year set forth below.

Signed in 2010

this 15th day of May, 2012.
