PATENT SECURITY AGREEMENT

This **PATENT SECURITY AGREEMENT** (this “**Agreement**”), dated as of July 11, 2014, is entered into by the entities listed on the signature page hereto (individually and collectively, the “**Grantor**”) and **SILICON VALLEY BANK** (the “**Assignee**”), as Administrative Agent pursuant to that certain Guarantee and Collateral Agreement, dated as of July 11, 2014, among the Assignee, Grantor, and the other parties thereto (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Guarantee and Collateral Agreement**”), and pursuant to that certain Credit Agreement, dated as of July 11, 2014, among Grantor, Assignee, the Lenders party thereto (as amended, restated, amended and restated, supplemented, restructured or otherwise modified from time to time, the “**Credit Agreement**”).

Capitalized terms not otherwise defined herein have the respective meanings ascribed to them in the Guarantee and Collateral Agreement or the Credit Agreement, as applicable.

WHEREAS, pursuant to the Guarantee and Collateral Agreement, Grantor has granted in favor of Assignee a security interest in certain Collateral, including the Patents (as defined below) set forth on Schedule A hereto as of the date hereof.

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor and the Assignee hereby agree as follows:

1. Grant of Security Interest

(a) Subject to the terms and conditions of the Guarantee and Collateral Agreement, to evidence further the security interest granted by Grantor to Assignee pursuant to the Guarantee and Collateral Agreement, Grantor hereby grants to Assignee a security interest in all of Grantor’s right, title and interest in, to and under the Patents, whether now owned or existing or at any time hereafter acquired or arising and wherever located, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of Grantor’s Obligations. For the purposes of this Agreement, “Patents” means all of the following included in the Collateral: (i) all letters patent of the United States, any other country or any political subdivision thereof, all reissues and extensions thereof and all goodwill associated therewith, including, without limitation, any of the foregoing referred to on Schedule A, (ii) all applications for letters patent of the United States or any other country and all divisions, continuations and continuations-in-part thereof, including, without limitation, any of the foregoing referred to on Schedule A, and (iii) all rights to obtain any reissues or extensions of the foregoing.

(b) The security interest granted hereby is granted concurrently and in conjunction with the security interest granted to the Assignee under the Guarantee and Collateral Agreement. In the event that any of the provisions of this Agreement are in conflict with the Guarantee and Collateral Agreement, the provisions of the Guarantee and Collateral Agreement shall govern.

2. Modifications

This Agreement or any provision hereof may not be changed, waived, or terminated except in accordance with the Guarantee and Collateral Agreement or the amendment provisions of the Credit Agreement. In connection with the foregoing, Grantor authorizes the Assignee, upon notice to Grantor, to modify this Agreement without obtaining Grantor's signature to such modification, to the extent that such modification constitutes an amendment of Schedule A hereto, to add any right, title or interest in any Patent owned or subsequently acquired by Grantor or to delete any reference to any right, title or interest in any Patents in which Grantor no longer has or claims any right, title or interest. Grantor additionally agrees to execute any additional agreement or amendment hereto as may be reasonably required by the Assignee from time to time, to subject any such owned or subsequently acquired right, title or interest in any Patent to the security interests and perfection created or contemplated hereby or by the Guarantee and Collateral Agreement.

3. Recordation.

Grantor authorizes the Commissioner for Patents and any other government officials to record and register this Agreement upon request by the Assignee.

4. Applicable Law

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO ANY CHOICE OR CONFLICT OF LAW PROVISION OR RULE. Each party hereto submits for itself and its property in any legal action or proceeding relating to this Agreement, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the State and Federal courts of the State of New York, and appellate courts from any thereof.

5. Counterparts

This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or in electronic (i.e., "pdf" or "tif" format) shall be effective as delivery of a manually executed counterpart of this Agreement.

6. Successors and Assigns.

This Agreement will be binding on and shall inure to the benefit of the parties hereto and their respective successors and assigns.

[Signature page follows]

IN WITNESS WHEREOF, each of the undersigned has caused this Agreement to be duly executed and delivered as of the date first above written.

GRANTORS:

GIVEN under the Common Seal of
KASEYA LIMITED
and DELIVERED as a DEED:

By: Ermon Dolan 
Name: _____
Title: _____

Address of Grantor:
