## ASSIGNMENT

FOR VALUE RECEIVED from MTECH Laboratories, LLC., WE, OTWARD M. MUELLER, citizen of the Federal Republic of Germany, residing at 96 Sweet Road, Ballston Lake, New York 12019 (USA), and EDUARD K.MUELLER, citizen of United States of America, residing at 10 St. Patrick Drive, Ballston Lake, New York 12019 (USA), and MICHAEL J. HENNESSY, citizen of the United States of America (USA), residing at 9 Patroon Place, Ballston Lake, New York 12019 (USA), hereby sell, assign, transfer and convey unto MTECH Laboratories, LLC., a corporation of the state of New York (USA), having a place of business at 831 Route 67, Building 45C, Ballston Spa, New York 12020-0227 (USA), its successors, assigns and legal representatives (hereinafter called the "Assignee"), the entire right, title and interest, for all countries, in and to certain inventions relating to and described in United States Letters Patent No. 7,193,336, titled Switchable Low-Loss Cryogenic Lead System, naming us as joint inventors, and issued on March 20, 2007, and in and to the application from which said patent issued (U.S. Application No.10/691,767, filed October 23,2003), and all divisions, renewals and continuations thereof, and all additional Letters Patent of the United States which may be granted, thereon, and all reissues and extensions thereof, and all applications for Letters Patent or other grants of protection of proprietary rights including, but not limited to, inventor's certificate, utility model, utility certificate, patent of importation, registration of patent and industrial design registration which may be filed, and which may be granted, upon said inventions in any countries or regions foreign to the United States, and all reissues, renewals and extensions thereof; and WE hereby authorize and request the Commissioner for Patents and Trademarks of the United States, and all officials of countries or regions foreign to the United States having authority so to do, to issue all such Letters Patent or other grants of protection upon said inventions to the Assignee or to such nominees as it may designate.

AND WE authorize and empower the said Assignee or nominees to invoke and claim for any application for such Letters Patent or other grants of protection for said inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by a convention which may henceforth be

substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

AND WE hereby consent that a copy of this assignment shall be deemed a full and formal equivalent of any assignment, consent to file or like document which may be required in any country or region for any purpose and more particularly in proof of the right of the said Assignee or nominees to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

AND WE hereby covenant that WE have the full right to convey the entire right, title and interest herein assigned and that WE have not executed and will not execute any agreement in conflict herewith.

AND WE hereby covenant and agree that WE, without cost to us, will communicate to said Assignee or nominees all facts known to us pertaining to said inventions, and testify in all legal proceedings, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and declarations and in general perform all lawful acts necessary or proper to aid said Assignee or nominees in obtaining, maintaining and enforcing all lawful patent or other grants of protection of said inventions in any and all countries and regions.

IN TESTIMONY WHEREOF, I hereunto set my hand.
