ASSIGNMENT

THIS ASSIGNMENT is dated this 8 day of February 2002.

WHEREAS WORLDSTREET CORPORATION, a Delaware corporation with a principal place of business at 100 Summer Street, Boston, MA 02110, is the owner of the entire right, title and interest in and to the inventions as set forth in applications for United States Letters Patent listed in the attached Schedule,

AND WHEREAS, THOMSON FINANCIAL INC., a corporation of the State of New York and having an address of 195 Broadway, NY, NY 10007, is desirous of acquiring the entire right, title and interest in and to said inventions and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, WorldStreet Corporation does hereby sell, assign, transfer and set over unto Thomson Financial Inc., its legal representatives, successors, and assigns, the entire right, title and interest in and to said inventions as set forth in the above-mentioned applications, any patent applications in the United States and foreign countries, and any original applications, formal applications, continuation applications, continuations-in-part applications, continued prosecution applications, request for continued examination applications, divisional applications, reissue applications, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said inventions, and all rights to claim priority therefrom and/or thereto; and any copyright or designs associated with or in said inventions; and all rights of action and damages for any past, present or future infringement relating thereto, including all rights of actions and damages from publication of the patent applications and/or issuance of any patent relating thereto;

UPON SAID CONSIDERATIONS, WorldStreet Corporation hereby agrees with the said assignee that it will not execute any writing or do any act whatsoever conflicting with these presents, and that it will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said inventions, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and assignee;

The undersigned hereby grant(s) the firm of HALE and DORR LLP the power to insert on this Assignment any further identification, including the application numbers and filing dates, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document

AND WorldStreet Corporation requests the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said inventions to said THOMSON FINANCIAL INC., its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patents and the invention covered thereby.
