PATENT ASSIGNMENT

WHEREAS, I, John Leon, a United States citizen, residing at 1033 South Sedona Lane, Anaheim Hills, CA ("ASSIGNOR"), have invented certain new and useful improvements in a UNIVERSAL AUTOMATED HANDS-FREE LIQUID DISPENSER PUMP for which I have executed an application for Letters Patent in the United States, on even date herewith;

AND WHEREAS, Orange Rock Consulting, LLC, a California company with its principal place of business at 300 West Glenoaks Blvd Suite 200, Glendale, CA 91202 (ASSIGNEE), desires to acquire the entire right, title, and interest in and to said improvements and said Application;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to me in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, I do hereby acknowledge that I have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title, and interest throughout the world in, to and under said improvements, and said application and all provisional and non-provisional applications relating thereto, and all divisions, renewals and continuations thereof, and all Letters Patent of the United States that may be granted thereon and all reissues and extensions thereof, and all rights of priority under International Conventions and applications for Letters Patent that may hereafter be filed for said improvements in any country or countries foreign to the United States, and all Letters Patent which may be granted for said improvements in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and I hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said improvements to said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I DO HEREBY sell, assign, transfer, and convey to ASSIGNEE, its successors, legal representatives, and assigns all claims for damages and all remedies arising out of any violation of the rights assigned hereby that may have accrued prior to the date of assignment to ASSIGNEE, or may accrue hereafter, including, but not limited to, the right to sue for, collect, and retain damages for past infringements of said Letters Patent before or after issuance.

AND I HEREBY covenant and agree that I will communicate to said ASSIGNEE, its successors, legal representatives and assigns, any facts known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said improvements in all countries.

IN TESTIMONY WHEREOF I hereunto set my hand and seal this 23 day of July 2013

John Leon
