PATENT ASSIGNMENT

This assignment made on the date shown below by Nick Romero of Venice, California and Fernando Padilla of Santa Fe Springs, California (Assignors) to Pics on Kicks, LLC having a place of business at 64 Windward Avenue, Venice, CA 90291 (Assignee);

WHEREAS, Assignor has invented a new, original and useful invention entitled System and Method for Printing Customized Graphics on Footwear and Other Articles of Clothing (Invention) for which a United States patent application will be filed, further identified by Cislo & Thomas, LLP's Docket No. 12-26579 (Patent Application);

WHEREAS, Assignor believes himself to be the original, first, and sole inventor of the Invention disclosed and claimed in said Patent Application; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment their entire right, title, and interest in and to said Invention, and said Patent Application in the United States and throughout the world.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, and transfers to Assignee, his entire right, title, and interest in and to said Invention as recited in the claims of any patent issuing from said Patent Application, and said Patent Application for said Invention in the United States and throughout the world directly in the name of Assignee.

Further Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing said Patent Application in the United States and throughout the world for said Invention, and for perfecting, recording, or

maintaining the title of Assignee, its successors and assigns, to said Invention, and said Patent Application filed, and any patents granted for said Invention in the United States and throughout the world.

Assignor represents and warrants that he has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Patent granted for said Invention as recited in the claims of any Patent issuing from said Patent Application, whether on an application for said Invention, or said Patent Application to Assignee, its successors and assigns, as the assignee of their entire interest in said Invention.

IN WITNESS WHEREOF, Assignor has executed this Assignment on the date as set forth below.

PATENT ASSIGNMENT

This assignment made on the date shown below by Nick Romero of Venice, California and Fernando Padilla of Santa Fe Springs, California (Assignors), to Pics on Kicks, LLC, having a place of business at 64 Windward Avenue, Venice, CA 90291(Assignee);

WHEREAS, Assignors have invented a new, original and useful invention entitled, Method for Printing Customized Graphics on Footwear and Other Articles of Clothing (Invention), further identified by Cislo & Thomas LLP's Docket No. 14-29369 (Patent Application);

WHEREAS, Assignors believe themselves to be the original, first, and joint inventors of the Invention disclosed and claimed in said Patent and Patent Application;

WHEREAS, the above-identified Patent Application was made or authorized to be made by Assignors; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment their entire right, title, and interest in and to said Invention, and said Patent and Patent Application in the United States and throughout the world.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign, and transfer to Assignee, their entire right, title, and interest in and to said Invention, and said Patent and Patent Application for said Invention in the United States and throughout the world, including the exclusive right to file any provisional, non-provisional, divisional, continuation, continuation-in-part, reissue, foreign, or other

application based on the Invention directly in the name of Assignee and to claim any priority rights to which such applications are entitled under international conventions, treaties, or otherwise.

Further Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing said Patent Application in the United States and throughout the world for said Invention, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said Invention, and said Patent and Patent Application filed, and any patents granted for said Invention in the United States and throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Patent granted for said Invention, whether on an application for said Invention, said Patent and Patent Application, or on any subsequently filed provisional, non-provisional, divisional, continuation, continuation-in-part, reissue, or other application, to Assignee, its successors and assigns, as the assignee of their entire interest in said Invention.

Assignors hereby acknowledges that any willful false statement made in this assignment is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

IN WITNESS WHEREOF, Assignors have executed this Assignment on the
date as set forth below.
