PATENT ASSIGNMENT AGREEMENT

Whereas, Paul Carter (the "Assignor") an individual, and having a place of residence at 2612 Thorngrove Court, Fayetteville, NC 28303, is the owner of partial and complete rights, title and interests in, and to the Patents and Patent Applications as listed in Exhibit A attached; and

Whereas, Archangel Armor, LLC, (the "Company") a company organized and existing under the laws of the State of Louisiana, United States of America, and having a place of business at 439 Westwood Shopping Center, Suite 110, Fayetteville, NC 28314, is desirous of obtaining the entire right, title and interest in, to and under such patents, patent applications, and such inventions, as Assignor may have.

Now, therefore, in consideration of the sum of \$1.00 to Assignor in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over, Company, its successors, legal representatives and assigns, his entire right, title and interest in, to and under all patents, inventions, and applications, including provisional applications, for the items listed on Exhibit A, including the right to sue for past infringement, and all patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which have already been and which may hereafter be filed for the invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from the patent under the patent laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and

Assignor Hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States, whose duty it is to issue patents to issue the same to Company, its successors, legal representatives and assigns, in accordance with the terms of this instrument and to record this Assignment of all right, title, and interest to Assignee; and

Assignor Hereby covenants and agrees that it has the full right to convey the entire interest herein assigned, and that Assignor has not executed, and will not execute, any agreement in conflict herewith; and

Assignor Hereby further covenants and agrees that Assignor will communicate to Company, its successors, legal representatives and assigns, any material facts known to Assignor respecting the applications, patents, and invention, and generally do everything possible to aid Company, its successors, legal representatives and assigns, to obtain and enforce proper protection for the invention in all countries.

Assignor Hereby agrees to execute any further agreements and to take any further actions necessary to aid Assignee in perfecting its interest in the Patent and in enforcing any and all protections or privileges deriving from the Patent.

Governing Law. This Agreement shall be construed in accordance with, and governed in all respects by, the laws of the State of North Carolina, without regard to conflicts of law principles.

Counterparts. This Agreement may be executed in several counterparts, each of which shall constitute an original and all of which, when taken together, shall constitute one agreement.

Severability. If any part or parts of this Agreement shall be held unenforceable for any reason, the remainder of this Agreement shall continue in full force and effect. If any provision of this Agreement is deemed invalid or unenforceable by any court of competent jurisdiction, and if limiting such provision would make the provision valid, then such provision shall be deemed to be construed as so limited.

Headings. The headings for section herein are for convenience only and shall not affect the meaning of the provisions of this Agreement.

Entire Agreement. This Agreement constitutes the entire agreement between Assignor and Assignee, and supersedes any prior understanding or representation of any kind preceding the date of this Agreement. There are no other promises, conditions, understandings or other

IN WITNESS AND IN TESTIMONY WHEREOF, I, hereunto set my hand and seal as of June 19, 2014.

Assignor

Paul Carter

Assignee

Archangel Armor, LLC

By: 

Paul Carter

Its: Managing Member

For Patents, a proper assignment must be made at the USPTO Office within 3 months of executing this agreement which can be done electronically at <http://www.uspto.gov>.
