AGREEMENT AND PLAN OF MERGER

THIS AGREEMENT AND PLAN OF MERGER (this "Plan") is made as of the 15th day of September, 2009, by and between SimpleAir, Inc., a Texas corporation (the "Company"), and SimpleAir Holdings, Inc., a California corporation ("Target" and, together with the Company, the "Constituent Entities").

WITNESSETH:

WHEREAS, the shareholders and Board of Directors of each of the Company and Target have deemed it advisable and in the best interests of the Company and Target, respectively, for Target to merge with and into the Company, with the Company to be the surviving entity (the "Surviving Corporation") of such transaction (such transaction hereinafter referred to as the "Merger"), pursuant to and in accordance with the applicable provisions of the Texas Business Organizations Code (the "TBOC");

WHEREAS, the shareholders and Board of Directors of each of the Company and Target have adopted and approved this Plan and the Merger in accordance with the provisions of the TBOC and the charter documents of the Company and Target; and

NOW, THEREFORE, for and in consideration of the premises and of the mutual agreements, representations, warranties, provisions and covenants herein contained, and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. THE MERGER

1.1 **Delivery and Filing of the Plan.** The Constituent Entities shall cause this Plan to be executed and delivered and will use all reasonable efforts to cause a certificate of merger with respect to the merger (the "Certificate of Merger"), to be filed in the office of the Secretary of State of the State of Texas and to cause corresponding appropriate documents to be filed in the State of California.

1.2 **Effective Time of the Merger.** The Merger shall be effective upon acceptance of the filing of the Certificate of Merger by the Secretary of State of the State of Texas (the "Effective Time"). At the Effective Time, Target shall be merged with and into the Company, in accordance with the terms and provisions of this Plan, the separate existence of Target shall cease and the Company shall be the Surviving Entity of the Merger. The Merger shall be effected in a single transaction.

1.3 **Certificate of Formation and Bylaws of the Surviving Corporation.** The Certificate of Formation of the Company, as in effect immediately prior to the Effective Time, shall be the Certificate of Formation of the Surviving Corporation until thereafter amended as provided by the TBOC or such Certificate of Formation. The bylaws of the Company, as in effect immediately prior to the Effective Time, shall be the bylaws of the Surviving Corporation until thereafter amended as provided by the TBOC, the Certificate of Formation of the Surviving Corporation or such bylaws.

1.4 Certain Information With Respect to the Capital Stock of the Constituent Entities. As of the date of this Plan, the authorized capital stock of the Company consists of ten thousand (10,000) shares of common stock, no par value per share (the "Company Common Stock"), of which ten thousand (10,000) shares of Company Common Stock are issued and outstanding. As of the date of this Plan, the authorized capital stock of the Target consists of 100,000,000 shares of common stock, with no par value per share (the "Target Common Stock"), of which 10,000,000 shares of Target Common Stock are issued and outstanding, as well as 10,000,000 shares of preferred stock, with no par value per share (the "Target Preferred Stock"), of which no shares are issued and outstanding.

1.5 Effect of Merger. At the Effective Time, the effect of the Merger shall be as provided by the TBOC. Without limiting the generality of the foregoing, and subject thereto, at the Effective Time all the property, rights, privileges, powers and franchises of the Company and Target shall vest in the Surviving Corporation, and all debts, liabilities and duties of the Company and Target shall become the debts, liabilities and duties of the Surviving Corporation.

1.5.1 Transfer of intellectual property rights and claims for past infringement. The Constituent Companies expressly agree and acknowledge that, as a result of the Merger, all intellectual property (including all patents, patent applications, trademarks, and copyrights) owned by the Target at the time of the Merger, including but not limited to all right, title, and interest in the universe in and to the patents and patent applications (and any continuation, continuation-in-part, divisionals, reissues, reexaminations, or foreign counterparts related to, resulting from, or claiming priority to any of the Target's patents or patent applications) identified in Table 1.5.1 below, along with all rights to sue for and collect damages for past infringement of the intellectual property, including specifically any damages for past infringement of the patents and patent applications identified in Table 1.5.1 (collectively, the "Intellectual Property"), are transferred and assigned to the Surviving Corporation by operation of TBOC. To the extent that there is any potential ambiguity as to the operation of the TBOC with respect the transfer of ownership or rights to sue for and collect for past infringement of any of the Intellectual Property, Target hereby transfers, assigns, and quitclaims the full, exclusive, and entire right, title, and interest to the Intellectual Property throughout the Universe, including any and all rights (including causes of action for damages) associated with infringements of the Intellectual Property that took place prior to the date of the Merger, to the Surviving Corporation, the same to be held and enjoyed by the Surviving Corporation for its own use and enjoyment, and for its legal representatives, successors, and assignees, to the full end of the term for which the Intellectual Property is granted or unexpired, as fully and entirely as the same would have been held by Target had the Merger, or this assignment, not taken place.
