CONFIRMATORY ASSIGNMENT

WHEREAS Darren Van Buuren, whose post office address is 7880 Concession 7, Grassie, Ontario, L0R 1M0, and Marc Jean-Luc Beaudry, whose post office address is 279 De Gascogne, Boucherville, Quebec, Canada J4B 7V4 (the "Inventors") have made an invention relating to an animal housing unit (the "Invention") for which United States Design Application No. 29/492,936 was filed on June 4, 2014 and for which corresponding Canadian and European applications will shortly be filed (the "Applications"), all under the title:

ANIMAL HOUSING UNIT

AND WHEREAS Darren VanBuuren was at all material times during the conception and reduction to practice of the Invention employed by Poly Dome Ontario Inc. ("Poly Dome"), having an address at 7793 Young Street, Grassie, Ontario, Canada L0R 1M0 and Darren VanBuuren's employment duties as an employee of Poly Dome include inventing new designs and Darren VanBuuren's contributions to the Invention were executed for good and valuable consideration as part of his employment duties;

AND WHEREAS Marc Jean-Luc Beaudry's contributions to the Invention were executed for Poly Dome in exchange for good and valuable consideration as part of an arrangement between Poly Dome and Marc Jean-Luc Beaudry;

NOW THEREFORE in consideration of the sum of one Canadian dollar (CAD\$1.00) payable by Poly Dome to each of the Inventors, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Inventors, individually and collectively, confirm that Poly Dome is the owner of, and do hereby sell, assign and transfer to the said Poly Dome, the whole right, title and interest for the United States of America, Canada, Europe, and all other countries and all other places that are not countries, in, to, and in respect of the Invention and in, to, and in respect of all applications (including the Applications) and all Letters Patent, industrial design registrations, community design registrations or other registrations that may be obtained therefor in the United States of America, Canada, Europe and all other countries and all other places that are not countries, including all divisional, renewal, substitute, continuation, reissue, re-examination, national entry, regional entry and Convention applications and any Letters Patent, industrial design registrations, community design registrations or other registrations to issue therefrom, together with every priority right that is or may be predicated upon or arise from the Invention, the Applications, and the Letters Patent.

AND, the **Inventors**, individually and collectively, hereby authorize **Poly Dome** to file patent applications, industrial design applications, community design applications and other applications (including the **Applications**) in respect of the **Invention** in any countries and in any places that are not countries, and request that the United States Commissioner of Patents and Trademarks, the Canadian Commissioner of Patents, the Office for Harmonization in the Internal Market, and all other relevant authorities issue the Letters Patent, industrial design registrations, community design registrations or other registrations to **Poly Dome**, the assignee of the entire right, title and interest in and to the **Invention** for its sole use and benefit; and for the use and benefit of its successors and assigns, to the full end of the term for which any Letters Patent, industrial design registrations, community design registrations or other registrations in respect of the **Invention** may be granted, as fully and entirely as the same would have been held by the **Inventors** had this assignment and sale not been made.

AND, the **Inventors**, individually and collectively, hereby bind themselves, their legal representatives and assigns to do, upon **Poly Dome's** request, but without additional consideration, all acts reasonably serving to assure that the **Invention**, the said patent applications (including the **Application**), and the said Letters Patent, industrial design registrations, community design registrations or other registrations shall be held and enjoyed by **Poly Dome** as fully and entirely as the same could have been held and enjoyed by the **Inventors**, their legal representatives and assigns if this assignment had not been made; and particularly to execute and deliver to **Poly Dome** all lawful application documents including petitions, specifications and oaths, and all assignments, disclaimers and lawful affidavits in form and substance as may be requested by **Poly Dome**; to communicate to **Poly Dome** all facts known to us relating to said inventions and discoveries or the history thereof; and to furnish **Poly Dome** with any and all documents, photographs, models, samples, and other physical exhibits in our control or in the facts or our conceptions, disclosures, and reduction to practice of the **Invention**.

This agreement shall be governed by the laws of the Province of Ontario, including the federal laws of Canada applicable therein, and the parties each hereby irrevocably attorn to the non-exclusive jurisdiction of the Courts of the Province of Ontario, including the Federal Court of Canada to the extent the same has jurisdiction in any matter relating to this agreement, provided that the Courts of the United States shall retain their jurisdiction in respect of any United States patent or patent application.

This document may be executed in counterparts, which shall together form one and the same instrument.
