PATENT

## ASSIGNMENT OF PATENTS

In connection with the consummation of the transactions contemplated in that certain Asset Purchase Agreement (the "Asset Purchase Agreement"), dated and effective as of June 30, 2014 (the "Effective Date"), between Gemmy Industries Corporation, a corporation organized under the laws of the State of Texas ("Assignor"), and Varidesk, LLC, a limited liability company organized under the laws of the State of Texas ("Assignee"), the Assignor sold and assigned and agreed to sell and assign to the Assignee all of its rights and interests in and to all patents and pending patent applications owned by Assignor relating to the business previously conducted by Assignor related to the design, marketing, sale and distribution of height-adjustable desks under the trade name "VARIDESK", together with all goodwill associated with the foregoing, including the patents and patent applications listed on Schedule 1 attached hereto (which is incorporated into and made a part of this Assignment of Patents), and all future patent applications (including any divisionals, continuations, continuations-in-part, etc.) derived in any part from the transferred patents and patent applications (collectively, the "Patents").

NOW, THEREFORE, for the consideration set forth in the Asset Purchase Agreement and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor does hereby sell, assign and transfer to the Assignee and its successors and assigns, effective as of the Effective Date, all right, title, and interest of the Assignor in, to, and under the Patents, together with all rights to sue and recover for any past, present or future infringements, dilution, damage or injury (and including the right to take over and continue any and all existing suits) to any of the foregoing and collect profits or damages with respect to same, the same to be held and enjoyed hereinafter by the Assignee for its own use and for the use of its successor and assigns, to the full end of the term for which the Patents were granted, as fully and entirely as the same when have been held by Assignor had this Assignment not been made.

Assignor hereby covenants to execute and deliver to Assignee such additional assignments and instruments of transfer as Assignee may require to evidence Assignee's ownership of the Patents or the conveyance of the Patents to Assignee.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]
