PATENT

ASSIGNMENT OF PATENTS AND PATENT APPLICATIONS

This Assignment is made effective as of May 30, 2014 between Empire Level Mfg. Corporation, a Wisconsin corporation having a principal place of business at 929 Empire Drive, Mukwonago, WI 53149, ("Assignor") and Milwaukee Electric Tool Corporation, a Delaware corporation having a principal place of business at 13135 West Lisbon Road, Brookfield, WI 53005 ("Assignee").

WITNESSETH:

WHEREAS, Assignor is the owner of the United States patents and applications identified in the attached Schedule A and the foreign patents and applications identified in the attached Schedule B (collectively, the Patents);

WHEREAS, Assignor wishes to assign and transfer all of its rights and interests in the Patents to Assignee;

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged by Assignor:

1. Assignor hereby agrees to assign and does assign to Assignee, its successors and assigns, absolutely and forever all its right, title and interest to any and all U.S. and foreign patents and patent applications (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), national phase, and reissue applications thereof) owned by Assignor and identified in Schedules A and B, and to any and all rights relating to the Patents.

2. Assignor further assigns to Assignee all its rights to sue for past infringement of the Patents and to recover any and all damages and awards for such infringement.

3. Assignor further covenants and agrees that it will, upon demand of Assignee, its successors or assigns, and without further consideration, execute any and all papers necessary or deemed to be necessary by Assignee or its successors or assigns to completely fulfill the intent and purpose of this Assignment.

IN WITNESS WHEREOF, Assignor has caused this instrument to be executed by its duly authorized officer.

EMPIRE LEVEL MFG. CORP.
